BITS and PIECES

ASSHOLE OF THE MONTH

An honest woman's sphincters, open and forthright, can be a man's best friend, offering hours of pleasant exploration. A lying bitch's turd clamp, however, will pinch a loaf in your bed, and then the deceitful cunt will blame you because the sheets stink.

Such a dirty-dealing crap hatch belongs to Darva Conger, whose shit-and-shirk manipulations have earned her the rank of HUSTLER's Asshole of the Month for October 2000.

Conger, 34, is the loser who won *Who Wants to Marry a Multi-millionaire*, the televised travesty in which 50 would-be whores competed for the hand of a man about whom they knew nothing except for his reputed cash value. Conger emerged as the chief chippie, wedding Rick Rockwell and snagging an Isuzu Trooper, a three-carat engagement ring and a Caribbean honeymoon.

The public was nauseated, but Darva displayed the natural instinct of a savvy gutter skank: She disavowed her indiscretions and simultaneously tried to profit from them.

Conger's flaxen tresses are as phony as the nonsensical bullshit that spews from this self-described "person of integrity."

"I don't think I was thinking clearly," a wide-eyed Conger theorizes, insisting that she didn't marry for money, though she did keep the ring and the SUV.

With fetid-breathed pleas, Conger paints herself as a helpless sufferer of circumstance. "I didn't know how to escape," she proclaims of a program she voluntarily signed on for. Her new husband's kiss was "inappropriate"—though, if the buss had been raunchier, "perhaps...that would have given me the moral fortitude to run off the stage."

When she's not recounting the "minor brainwashing" she endured during the show's taping, Conger bewails the "devastating" effect that the media's coverage has had on her otherwise unremarkable life.

"Everything I had prior to the show is being taken away from me slowly," wept Conger the day after filing for an annulment of the unconsummated marriage. "I'm hoping that public interest will die down shortly and I will no longer be a public figure."

Devious Darva's idea of dissuading public interest is to continually thrust her witchy mug into the spotlight. She has granted interviews to *20/20*, *Today* and *Good Morning America* since her high-profile "error in judgment."

Conger appeared on *Larry King Live* and blamed the media for robbing her of time with her brother Danny, a cerebral-palsy sufferer who died while his sister was dashing between TV studios.

Her King interview occurred a mere three days after Danny's passing, but Darva forsook a mourning period "since I had given my word that I would be here."

Despite a penchant for putting screen time before personal tragedy, Darva asserts that, "I am not a celebrity. I had no training for this, no experience."

As with so much that leaks from Conger's mouth-hole, this claim is bullshit. Conger's mother, actress Susan Harrison, is best known for her role in *Sweet Smell of Success*, a depiction of amoral fame-seekers sucking up to the press.

Between interviews, Darva turned up at events such as Hugh Hefner's 74th birthday party, flashing the soulless, shit-eating grin of a two-dollar whore during Fleet Week.

Conger has had plenty of time to vogue since the hospital she worked at fired her from her emergency-room nurse position.

"I believe [the sacking] was related to the time off from work and the media attention," Conger posits. Or perhaps a woman prone to "errors in judgment" is best not left to care for critically ill patients.

Citing unemployment, Darva, a "Christian woman" who's "not a big believer in public displays of affection," agreed to pose for *Playboy*, reportedly receiving $100,000 for a nude pictorial for fall publication.

"The only avenue open to me right now is possibly something more in the public eye," she sighs.

Again, Darva underestimates her options; she could easily trade blowjobs for food stamps and live a life of quiet, honest whoredom.

Darva claims the nudie pics will be "very natural...no utensils, objects or stuff."

Hopefully, the photographer at least used a wide-angle lens; how else to properly capture the massive Asshole that is Darva Conger?

FARTS IN THE WIND

Richard Blow: The former executive editor of the JFK Jr.-founded *George* magazine, Blow reportedly canned two of his staffers for discussing Kennedy with the media following John's untimely death last year. Despite his own standards and the confidentiality agreement he'd signed upon his hiring, Blow recently pitched a tell-all tome about his former boss to publishers, claiming that "no one else has...the perspective on John that I do." Possibly, but who wants to look at things from an Asshole's view?

Donato Dalrymple: The "fisherman" who was reluctantly forced out of the closet with Elian Gonzalez during last month's raid is now suing the federal government for more than $100 million, claiming that his protection against unreasonable search and seizure was violated. Dumbass Donato doesn't have a prayer—the house wasn't his and neither was the kid—but he does have the gall of a pathetic Asshole.

BARELY Competition

As any prudent judge of girl flesh knows, HUSTLER'S BARELY LEGAL plucks the tender buds of voting-age youths and distills them into one tight little magazine. Spurred by our success, lesser adult-teen publications litter the newsstand with young Frankenlabes.

The train-wreck periodicals shown here prove that, while HUSTLER'S BARELY LEGAL has its copycats, the competition is anything but stiff.

PORN *From the* PAST

In the '60s, Schtuperware parties helped housewives earn extra cash for demonstrating the wonders of plastic dildos in their homes. The resulting class of shameless suburban fish-bandits eventually invented modern-day feminism.

Richard J. of Brooklyn, New York, tastes $150 for this tightly woven sapphistry. Send your classic girl groups to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211. Include a self-addressed, stamped envelope if you want the material returned.

Behind Every Asshole Is a Prostate

When New York Mayor Rudolph Giuliani was named HUSTLER's Asshole of the Month in February 2000, he was still married, had just launched a Senate campaign, and his rectum was functioning with horrifying reliability. The Senate campaign and wifey Donna Hanover are history, and a case of prostate cancer threatens to put his ass out of commission.

HUSTLER hopes Rudy's tumorous butt-nut can be treated—ideally, at the hands of Abner Louima, the Haitian immigrant who was anally raped by NYPD storm troopers wielding a toilet-plunger handle. If Giuliani agrees to undergo the same aggressive therapy that his police used on Louima, prostate awareness will skyrocket—at least Rudy's will.

April 2000 *Playboy*

The June 2000 issue of *Penthouse* featured yet another pictorial ripped from the pages of HUSTLER'S LEG WORLD—this time from the October 1998 issue. The photographer, who appropriated the name "Henry Moore" from a better-known sculptor when the set originally ran, created the even-more-fanciful credit "Constantin Lachaise" for *Penthouse*'s sloppy seconds.

Playboy ran the bushy Castro portrait above in its April 2000 issue, sans photo credit or compensation; the picture, originally shot by HUSTLER Creative Director James Baes, appeared in our November 1984 edition.

Sandy and Mandy don't have to worry about their sugar daddy and incontinence. Hef can depend on his Dependents to absorb all kinds of moisture—even if the old coot's stool slips out from under him. As long as there's a twin to lay on a fresh Dependents diaper, Hef can go and not ever know.

Hidden Assets

Here we go again. In the boy/girl photo set on page 50 of the July 2000 issue (*Genesis and Mitch: Dogging It*), you went back to the old three-finger cover-up. In each shot, with one possible exception, the female is covering up her pussy and her mouth with her fingers. One can only guess that there was, in fact, penetration. My subscription runs out in a couple of months; if I don't start seeing some honest-to-God penetration, I won't renew. *Fox* magazine has more penetration shots on their table of contents than you've had in the past year. I'm going to drop my subscriptions to HUSTLER, *Gallery* and *Swank* and order *Private* instead. —B. H.

I was knocked out by Christine in the May 2000 issue (*Beaver Hunt*). She's gorgeous and deserves a second look. Bring Christine and that sweet pussy of hers back. I'm ready to cast my ballot for her as the *Beaver Hunt* Girl of the Year. —J. C.

Salty Sailor

I'm a 22-year-old towboater working for a canal barge company out of New Orleans, Louisiana. Your magazine keeps me happy for the 30 days I spend working on the Mississippi River. In your May 2000 issue, *Beaver Hunt* girl Christine mentions that she wants to do a boy/girl pictorial for HUSTLER. Let me be the first to volunteer my services. I love blondes, and would be glad to fuck Christine. In the same issue, another lovely young girl, Candy, said that she wants to do a group sex scene. Count me in for that one too. Hell, I'll nail any of the hot chicks in your kick-ass magazine. Just give me a call if any of your Honeys need the high hard one. Take care and keep up the great work. —C. D.

Christine is proving to be our most inspirational Beaver Hunt contestant of the year. The HUSTLER staff is astounded by the influx of selfless offers to help the blonde's perverted dreams become a reality. We never realized that our readers were such philanthropists. The staff will consider bringing Christine back for an encore. Do your part by continuing to vote for your favorite Beaver.

Kalla Flashback

The Kalla and Austin layout (*Kalla and Austin: License to Thrill*) in the January 2000 HUSTLER is my favorite boy/girl pictorial that I've seen in your magazine. Kalla is pretty, and the atmosphere of the shoot is fun. She pees in two pictures, there's vaginal and oral penetration, and they finish with the all-important facial cum-shot. I liked this pictorial so much, I bought a second copy of the issue.

features all cover shots? A covers collection could be really interesting, like a throwback to the days of the pinup. A time line showing the evolution of HUSTLER would be great, especially with all the great concept photos that you ran in the '80s. Since newsstand rules make hard covers impossible, you could experiment with mock-up covers inside the mag, giving readers a taste of how a facial would look on the cover of BARELY LEGAL, or do a full-on pissing cover for TABOO. Let's not forget all the hilarious parody covers that you do in *Bits & Pieces*. My idea has tons of potential and would be an awesome collector's item for fans of all the HUSTLER publications. Employees of the Month

Just wanted to let you know that we girls at the HUSTLER Cincinnati store always grab the latest issue of HUSTLER just to read Jeanna Fine's column, *Dear Slut*. We love it! Jeanna's funny, witty, gives great advice and isn't afraid to trash an idiot when he deserves it. Tell Jeanna to keep it up. One more thing, please don't tell the boss man that we're reading HUSTLER on the job; he'll think we're slacking off.
—J. L.

As far as we're concerned, you ladies are in the clear. Chicks who read HUSTLER rank high in our book. Next time, be sure to send a question for your coworker Jeanna. HUSTLER's one of the few workplaces where fellow employees can discuss explicit sex with no fear of harassment charges.

Flaming Bush

Not too long ago, I saw Larry Flynt interviewed on the local news. Mr. Flynt said, "Wait until you see what we have on George W. Bush." The newscaster tried to coax more info, but Larry just said, "You'll have to wait and see." As a concerned Texan, I'd like to know when you plan on telling the world what a fake, no-good person Mr. Bush is. When my family lived in Houston, people constantly commented that he was a bum, a drunk and a dopehead. I believe that it would be a disaster if our country elected George W. Bush for President. I pray that you hurry up and dish the dirt on this undeserving candidate before he winds up in the White House. —F. P.
Belton, Texas

You'll be happy to hear that we've already spilled the beans on Mr. Bush. Our July 2000 issue featured a tell-all exploration ("W" Is For Whitewash: How George W. Bush Smothers Revelations About His "Irresponsible" Past) into the candidate's attempts to cover up his "youthful indiscretions." There's still a bit of time left until election day. No one but Mr. Flynt himself knows what other tidbits he has up his sleeve. Keep reading HUSTLER, and watch the nightly news for 11th-hour developments.

Pearl Wisdom

In the *Feedback* section of your May 2000 issue, you reply to W. of Santa Barbara, California, ("Bigger Clits") that "there are [photos of] 157 clits in the January 2000 HUSTLER alone." You apparently don't know what a clitoris is. The dictionary says that the clit is "the analogue of the penis in the female. An erectile organ practically covered by its prepuce." Apologize to W. and all the other readers for misrepresenting prepuce photos as clit shots. —N. B.
Manasquan, New Jersey

Sheesh! We never imagined that semantic arguments over the exact definition of "clit" would surface in Feedback. This conversation's more suited for a stuffy gynecology journal. Most HUSTLER readers never scope that close a look at the clitoris or prepuce; they're too busy thinking about licking and sucking the object in question. Why examine a love buzzer with a magnifying glass when you can plow the hooded pearl with your hambone instead? HUSTLER prefers field research to overblown discussion any day.

Legal Dispute

I just finished reading *HUSTLER vs. The World: HUSTLER's Unbiased Review of Men's Magazines* in the July 2000 issue. It contained a segment comparing BARELY LEGAL to other like-minded competitors. The article closed by saying, "If any of these upstarts manages to improve, BARELY LEGAL could be in for a serious catfight." I disagree.

BARELY LEGAL is way better than its imitators. It would take a miracle to bring those lame publications remotely near the legendary status of my favorite adult-teen spank mag, BARELY LEGAL. Keep up the great work. —B. F.
Burlington, Vermont

Thanks for words of support for our little sister publication. The writer behind HUSTLER vs. The World was as tough as possible on our publications so as to avoid charges of favoritism. His cautionary words have inspired in-house editors to keep standards high, and will hopefully prompt all adult-magazine publishers to make improvements, though holding your breath isn't recommended. Some of those mangy dogs should just be put to sleep.

What a Prick

Please refrain from publishing any more pictures of Gia ("My Favorite Centerfold," *Bits and Pieces*, July 2000). I can ignore the ads featuring chicks with dicks, but purposefully publishing tranny crap is inexcusable. Those people have their own magazine; keep them out of HUSTLER.

We hate to break this to you, H. R., but you're in the minority when it comes to Gia. During the past year, we've received tons of letters praising the shapely bachelorette and her third leg. If you disliked the tiny picture of Gia in our Anniversary Issue, you're really going to hate her original eight-page layout (Gia: Portrait of a Lonely Lady, April 1999 HUSTLER). If you need a copy of the infamous issue so you can despise Gia's photos in the privacy of your own bedroom, call (323) 651-2348 and order a back issue.

Another Fine Mess

I'm writing to point out a glaring inconsistency in *Love Is a Many Plundered Ass Ring* (July 2000). The story states that I had a child before I met my husband, Jim. This is incorrect. I met Jim, then we had a child. Please correct this error in the time line and return Jim to his rightful position as the father of my child.
—Jeanna Fine
via Internet

Thanks, Jeanna, for setting the record straight. Tell Jim that we apologize for leaving him out of the baby-making process. We'd feel the same way—conception is our favorite part of parenthood as well.

Dear SLUT

JEANNA FINE TELLS THE FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

REVAMP MY GASH

My husband and I have been together forever. After giving birth to my son, I've noticed that my twat has loosened up, and our sex life is slowing down. We've been investigating the elusive mystery of female ejaculation to amp up our libidos, but have come up totally dry. I can't even find my G spot! Do you have any tips for tightening my love tunnel and unleashing the female fountain? —D. L.
Canton, Ohio

Pelvic-muscle exercises, or Kegels, helped me to buff up my cunt after childbirth. Pretend that you're holding in a fart or trying to halt a stream of pee. Once you've targeted the pelvic muscles, exercise them by tensing them without tightening your tummy or butt cheeks. For extra credit, incorporate your Kegel routine into your sexplay by gripping your husband's cock with your vagina. Accessing the G spot is easiest when you're on all fours and your man slips his fingers in, curved down toward the belly button. As for spurting, some women can, others can't. It all depends on the luck of the genetic draw.

HANDMADE ORGASMS

My girlfriend and I have a good bedroom rapport, but the only time she peaks is when I finger her clit while we fuck. She's not concerned, but being able to satisfy her with my cock alone means a lot to me. Are there any positions that will help me bring off my girl through simple copulation? —E. G.
via Internet

There are two types of orgasms, vaginal and clitoral. Many women, myself included, have better luck peaking with clit stimulation. During every fuck, my fingers immediately go to my clit and don't stop diddling until I come. That doesn't mean that I don't love my husband's cock. Relax and enjoy the fabulous sex that you're having. Feel free to experiment with different positions, but don't turn your wife's clitoral leaning into an issue. When it comes to fucking, there are any number of paths to mutual satisfaction. Find the best route for you and enjoy the trip.

MI CHICA LOCA

Ever since my girlfriend stopped taking her antidepressants, our sex life has become way more exciting. When she was still on her meds, we screwed all the time, but every session was in the generic, slow-and-romantic missionary style. Now my girl is a total wild woman; she jumps me in the bathroom, wakes me up with blowjobs, and pants and screams when I nail her. Of course, she's pretty unpredictable the rest of the time too. Is there an antidepressant that doesn't make people boring in bed? —D. M.
Kent, Washington

Many serotonin reuptake inhibitors hobble the sex drive. It's very important that your girlfriend discusses this matter with her doctor. He may be able to prescribe her an alternate medication, or he may not; either way, you need to be supportive. A good sex life is important, but when the rest of your relationship is falling apart, you'll eventually have an unfulfilling or nonexistent sex life anyway. If your lover has been prescribed antidepressants, she obviously needs them. As her soul mate, lover, husband or whatever, it's in your best interest, not to mention your duty, to make sure your girl is safe and sane. Why trade a lifetime of satisfaction for a few weeks of insanity?

ROUGH GUIDANCE

I am planning a trip to New York City and am considering a visit to one of the fantasy/role-play establishments. I called one such business for information and spoke with a very friendly woman who quoted me a price of $700 for a two-hour session with two ladies. Full-service sex is forbidden, but she assured me that I would leave "fully satisfied." Do the girls in these clubs live up to the hype? How much touching is generally allowed? Are

Dear Slut

While many star schlongs weigh in well above average size, medium-size men turn me on more because, like most women, I don't like to be shish-kebabbed.

there any particular rules of etiquette I should know? I want to play politely, but I'm also concerned about getting the most out of the New York kink-for-cash experience. —R. T.

El Paso, Texas

Times are tough in New York, thanks to our dear, and hopefully soon departed, Mayor Giuliani. Many adult establishments have been shut down or are being carefully monitored; so the proprietors are playing it safe. Because of this, don't expect many "extras." Listen carefully to your playmate. She'll give you verbal cues that will help you know what to do and how far you can go. If you're strictly seeking fetish-fantasy fulfillment, chances are you'll get your money's worth. At the very worst, you'll have some wonderful fantasies to take back to your hotel room and finish yourself off with. If you keep your expectations reasonable, you'll probably walk away with more than you hoped for.

DR. FUCKENSTEIN

I've finally convinced my wife to watch porn videos, but I'm afraid I've created a monster. About a year ago, she gave in to my pleas and watched one of the old Andrew Blake flicks with me. She was completely turned on and fucked my brains out before the tape was even over. For a while our sex life was awesome. Now she views tapes without me and complains that I don't have the stamina or cock stature of porn studs such as Bobby Vitale. What should I do? —K. F.

Anchorage, Alaska

Inform your woman that porn stamina is movie magic. Scenes take hours to shoot. The action is rarely nonstop, and the swordsman's wood waxes and wanes between every shot. As far as endowment goes, the camera adds ten pounds to the waist and several inches to the prick. While many star schlongs weigh in well above average size, I find that medium-size men turn me on more because, like most women, I don't like to be shish-kebabbed.

BIG OR BROKEN

I know that it's important to practice safe sex, but lately condoms have been seriously fucking with my game. Every time I slap on a skin, I come almost immediately. They make my prick supersensitive. My girlfriend says that I need to buy a bigger size. I'm a big guy—well over six feet tall—and my dick is proportional to my height. Is it possible that regular rubbers are too tight for my johnson, or is something else wrong? —D. K.

Xenia, Ohio

It's quite conceivable that you need to go large. Most big fellas have a tough time finding clothes that fit properly; so it makes sense that your condoms may be a bit too snug. Rolling on a tight rubber would probably feel like sliding into a super-tight pussy—an awesome feeling that causes many men to blow their wads instantly. Brands such as Magnum are specifically designed for men with your "problem." Buy a bunch of different sizes and try them on, like you would a suit. I know that guys hate changing rooms with a passion; so have your girlfriend help in the fitting process and make the shopping excursion a real blast.

SAC SOLO

Last year I underwent surgery to have one of my testicles removed. Ever since then, I've been petrified to talk to girls. I can't help but imagine their reaction when they see my lopsided package. That guy Tom Green had a ball removed because of cancer and is still tapping Drew Barrymore. Thing is, he's a rich TV star. I'm just a regular dude. Do I have any hope now that I'm a one-nut wonder? —T. D.

Vacaville, California

One of my lovers from some time ago was a one-hung-low type of guy; his gear was in perfect working order, and our sex life was great. Everyone has something about them that they feel is not quite right, but the heart and the mind are what really count. Your missing ball won't hinder your sexual performance. If you're planning on hopping in the sack with somebody, hopefully it will be with someone you can communicate with. If you trust your bedmate, you won't have to worry about trivial physical aberrations. When you finally nail that special someone, even with one nut, I guarantee that the first night won't be a one-hit wonder; a testicle in lust has the strength of a full sac.

rick & leela
eco-erotic

PHOTOGRAPHY BY MATTI KLATT

A research expedition to the snow-blanketed woodlands has provided Leela and her intrepid partner, Rick, with many valuable insights.

"Body heat is a naturally replenishable resource," points out budding conservationist Leela.

"We can live off the land without plundering it," Rick concurs, spreading her rosy dew flaps to insert an agile digit.

Bracing herself against a tree stump, Leela's behind embraces Rick's log jam. "Learning how to use our resources without wasting anything ensures the security of our future," proclaims the buxom beauty. Rick grunts in vigorous agreement. ►

Grabbing her fellow conservationist's tumid man root, Leela stuffs the groin gourd into her hot gullet. Steam rises from Rick's member as it spurts hot love goo in Leela's open mouth. Licking her soft lips clean, the natural beauty smiles, "The most important thing is, always remember to recycle."

HUSTLER XXX #1

FULLY ERECT

Directed by Pierre Woodman;
starring Suzanna Wienold, Laura Bellini, Katy, Suzan Strong, Katakyn, Brigitta, Judith Fox, Erica Tchern, Alain Deloin, Yann Scott, Titof, Franck Major and Karl Ben.
Videocassette: HUSTLER Video.

Smut *auteur* Pierre Woodman outdoes himself for the stroke-a-thon first installment of the *HUSTLER XXX* series. This white-hot quintet of cooze-cramming vignettes leaves no bone unturned. Graced with perfect, implant-free figures, each of the unfamiliar sluts chuffs choad with the skill of a porn hall-of-famer. Thanks to Woodman's European sensibilities, D.P.'s are de rigueur, rendering every female orifice fair game. A brief yet evocative voice-over sets up each fuck fest before allowing the twat-distending antics to proceed unfettered. Special praise goes to Suzanna Wienold, the stunning redhead of the first segment, who, sporting only a pair of immaculate casabas, takes on five squack-hungry frat boys for a fierce beachside fuck. After multiple, gape-inducing logjams and masterful rounds of cocksucking, the lovely lass goes in for a five-way facial. As the collective cock spray oozes down Suzanna's chin and onto those splendiferous mams, *HUSTLER XXX #1* secures its place among the foremost in filth.

Classic Me-Generation Filth Reissued

The funky decadence of '70s porn has long since gone the way of the Quaalude, but thanks to a slew of nostalgic video releases, hundreds of rare XXX movies are being seen for the first time since they originally unreeled in peep shows, drive-ins and urban grind-houses. Alpha Blue Archives (www.alphabluearchives.com) leads the retro craze with a staggering collection of uncut rough stuff filled with rape, golden showers, fisting and violence that would be unthinkable by today's politically correct standards.

Alpha Blue's hottest-selling titles include the notorious *Forced Entry*, starring Harry Reems as a psycho Vietnam vet who stalks, rapes and kills random bimbos while experiencing newsreel-footage flashbacks. "You got my prick all full of shit!" Reems rants after ass-fucking a sobbing brunette; a bloody, postcoital knifing puts the cherry on top of his slimy fudge sundae.

Terri's Revenge offers a female perspective on vintage-porn brutality, as hard-bitten gutter slut Terri Hall twists one poor slob's sac into a knot and rides his tortured balls. In *Hardgore*, a nympho nurse is decapitated by guillotine while her executioner reams her doggy-style and spunks on her headless corpse.

Alpha Blue curator David Naylor is currently preparing to release a collection of '70s European rarities, along with two-hour compilation tapes devoted to tit queens Candy Samples and Uschi Digart. Naylor also promises that his massive new catalog, due July 1, will boast porn-star interviews and extensive commentary by sleaze scholar Bill Landis.

Something Weird Video (www.bucky-beaver.com) deserves a golden-age smut medal for its long-running Bucky Beaver series. Four hundred far-out stroke flicks (about half of which are loops) are lovingly detailed in SWV's two-volume *Blue Book* catalog/reference guide. Both Something Weird and Alpha Blue frequently release their '70s rarities as double features, guaranteeing the consumer plenty of dirty hippie sex. NuTech Digital (www.nutechDVD.com) also offers a line of remastered classics on DVD, with *Debbie Does Dallas* and several Jim Holliday *Only the Best* comps. With the latest flood of primo classic smut, retro strokers can drop their pants and party like it's 1979.

Digital technology preserves Seka's legendary snatch.

Bangin' the Night Away

ONE-QUARTER ERECT

Directed by Luciano; starring Candi Kiss, Allison Embers, Jessica Jewel, Tasha Hunter, Tiny Nicky Tease, April, Luciano, Darren James, Dick Nasty and Axel. Videocassette: Armageddon Entertainment.

"This video will make your fucking dick hurt!" *Bangin' the Night Away*'s box cover proclaims; this is, unfortunately, true. The opening scene features cock-hardening work by April, easily the most attractive twat to ever turn up in an Armageddon travesty. Enthusiastically riding Luciano's lucky member, the pert-titted pixie sucks hungrily at the tuber each time it slips from her slick fuck tunnel. A gooey facial tops off the dirty-blond nympho's jism-pumping romp. The resultant pleasant dick ache morphs into agonizing pain when Tiny Nicky Tease shows up. A horrible amalgam of cellulite and silicone, the pocked pole-hole fucks a hairy likeness of the Pillsbury Doughboy. After more flabby adventures with Candi Kiss and some listless lesbo action from Jessica Jewel and Tasha Hunter, Allison Embers fucks a guy with one testicle. It's tough to tell which is more cringe-inducing: the anonymous porn stud's half-vacant nut sac or Allison Embers's painfully inflated tits erupting from her bony physique. Keep the hell away from *Bangin' the Night Away* and wait for April's appealing pink to appear elsewhere. —*C. T.*

Skin 18: Lashes

THREE-QUARTERS ERECT

Directed by Harry S. Morgan; starring an uncredited European cast. Videocassette: Eurotique Entertainment.

Skin 18: Lashes follows a German tramp on a bizarre sex trip through a depraved hospital. At least, that's what the flick appears to be about. Due to all the untranslated kraut-speak, the story is fairly incomprehensible, but that's all right—how many English-speaking porn tapes have intelligible plot lines? What's perfectly clear in this imported screw fest is that a gorgeous blonde with a black, studded collar is bound, drugged and banged by an eerie array of leather-clad weirdos. The slender piece of ass is roped by an older woman. The venerable broad lashes our heroine to a chair, then finger-fucks her until she screams. Later, in an ambulance, the flaxen-tressed protagonist lies incapacitated on a stretcher as two EMTs bone while straddling her limp body. Next, three nurses in colorful outfits dance like a demented pop group while a masked doctor bangs the blonde senseless. Overflowing with fetish gear and facials, *Skin 18: Lashes* doesn't make much sense, but for the Teutonic-obsessed wanker, it certainly strikes a chord.

—*Nicholas Veridian*

Sex Acts

THREE-QUARTERS ERECT

Directed by Jerome Tanner; starring Teri Weigel, Gwen Summers, Jessica Drake, Tara, Lola, Dolly Golden, Devon Sapphire, Dayton Raynes, Evan Stone, Michael J. Cox and Joel Lawrence. Videocassette: Legend.

Every mook knows that *Sex Acts* send veteran XXX tramp Teri Weigel into epileptic fits of pleasure. Once the camera's on and the dick is in, Teri can't control herself. In this effort, Weigel's orgasmic seizures are a pleasure to watch. Weigel and Evan Stone play mainstream actors auditioning for parts in the first Hollywood comedy to feature hard-core sex. They worry that their acting talent won't be enough when it comes time to screw on set. Luckily, Evan finds the motivation of his character, a pussy-starved patient to Teri's slutty nurse, and the duo play the scene with award-winning gusto. Teri lifts Evan's robes and gobbles on his bone, sucking his balls and licking his shaft as if her SAG card depended on it. Stone pins the slippery tramp down and pounds her cooze. Even under the strong grip of Evan's hold, Teri writhes and twists as she's overcome by waves of bliss. In a medium where dull, by-the-numbers sex is painfully common, watching Teri Weigel scream her way through energetic *Sex Acts* compels a standing ovation in the smut fan's lap. —*N. V.*

BANGIN' THE NIGHT AWAY: Jessica bangs Tasha's jewel.

SKIN 18: LASHES: A German customs official at work.

SEX ACTS: Dolly and Lola reenact a classic scene from Lady and the Tramp.

The Panty Thief (Le Fetichiste)

THREE-QUARTERS ERECT

Directed by Alain Payet; starring Anita Dark, Karen Lancaume, Maria De Sanchez, Dolly Golden, Emilie, Oceane, Roberto Malone, Bruno Aissix, Mike Foster, Philippe Dean, Kevin Long and Oliver Sanchez. Videocassette: Wicked Pictures.

The Panty Thief stalks French hottie Anita Dark, hoping for a sniff of her moist unmentionables. Only in porn would a freakish underwear grabber have a shot at porking a specimen as perfect as Dark. Roberto Malone wins the object of his affection when she discovers his secret panty stash. Anita suits up in a skintight leather outfit and poses as one of Malone's mannequins. When Roberto enters his alcove for a short huffing session, he pounces on Anita, panting in amazement that Dark's body is finally within his reach. Malone buries his face in Anita's crotch, savoring the aroma of her musky thong. Anita slurps on his meat before climbing onto his flagpole and riding his rod. Roberto blows a wad onto her leather-clad tit, smearing his whaz on the shiny cup. Every scene is scorching, especially the fucks filmed in a cold French mansion. During one chilly roll in the hay, steam actually rises from Maria De Sanchez's red-hot cunt. Soundtrack problems mar this otherwise raging fuck flick; canned sex sounds befoul the delicious moans of the European vixens. Otherwise, the lovely sluts of *The Panty Thief* ably stretch the viewer's boxers. —*N. V.*

Boobs-A-Poppin'

HALF ERECT

Directed by Jim Powers; starring Beti, Elle DeVyne, Felony, Sonnie Daye, Mesha, Sophie Evans, Backey J, Brian Surewood, Damien Michaels, Gino Greco and Guy DiSilva. Videocassette: Notorious Productions.

Boobs-A-Poppin' satisfies jug lovers with plenty of tit-porking action. Completely devoid of silicone sacks, this flick focuses on real breasts without neglecting the sweet nether regions. Gina Gershon lookalike Sophie Evans kicks off the festivities with a solo boob massage. Evans expertly jiggles, squeezes, smooshes and kneads her juicy gourds before a stud arrives to molest Sophie's rack. He douses the chest bumps with baby oil, then tweaks, pinches and nibbles Evans's swelling nubs. Sophie drops to her knees and devours the dude's bishop. In turn, he slavers her honeypot, then slides into the dripping love hole and pounds Evans with glee. Straddling the gorgeous blonde, the prick slides between her oily hooters and humps like a dog in heat. Sophie folds her flesh mounds around the rod, then extends her tongue, catching the first blast of ball grease. Sadly, the rest of the affair pales in comparison to Sofie's exuberant opening. Most of the girls, though sufficiently young, slender and busty, don't handle their lungs with the expertise and obvious adoration that Evans holds for her frontal lobes. Despite massive half-time trip-ups, *Boobs-A-Poppin'* still manages to start bones-a-bobbin'. —*N. V.*

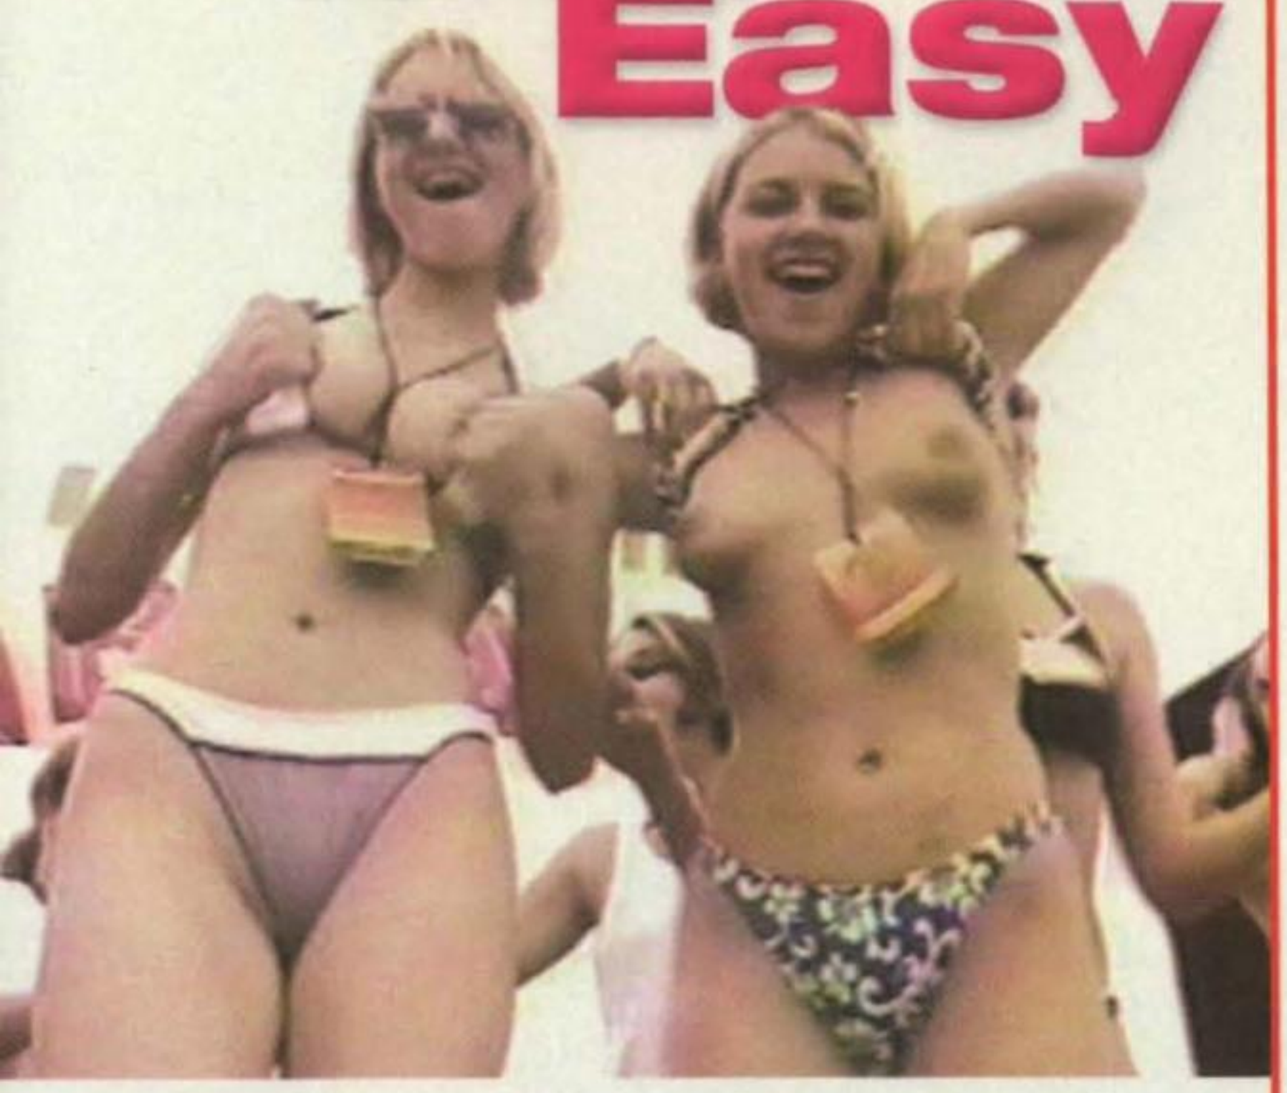
Tanned, Tanked and Easy



The Girl Next Door Shows Her Stuff

On a few precious occasions every year, large segments of the female population renounce society's strictures in favor of tit-slinging exhibitionism and open-hole libertinism. College girls cut loose at spring break celebrations from Cabo San Lucas to Panama Beach. Tons of party babes flock to New Orleans when Mardi Gras rolls around, eager to take part in the time-honored beads-for-breasts barter. A heady concoction of sultry weather, mob mentality and ample doses of alcohol contributes to the metamorphosis from tittering hens to full-on party sluts.

While trust-fund college boys and lucky residents of fiesta-friendly boomtowns enjoy their free ticket to the world of liquored-up, braless lovelies, less fortunate men are left in the cold. If round-trip airfares and hotel rooms sound like bank breakers (or the old lady doesn't cotton to gallivanting with nubile, young sorority girls), take heart—many current videos document the raunchy vacation fun.

The most recognizable name in the genre is *Girls Gone Wild* (www.girlsgonewild.com) from AMX Video. Offering three volumes of nonstop action, these tapes are the best value on the market. Each installment of the series focuses on specific events, such as Spring Break, Mardi Gras, Labor Day and Memorial Day.

Festivities in Lake Havasu, Arizona, turn steamy when waterborne honeys dance on the bows of bobbing dinghies. A beer in one hand, her pearly tit in the other, one sorority girl ripe for the pages of BARELY LEGAL grins in satisfaction as her girlfriend sucks on her rosy, pink nip. On Bourbon Street, crowds of knuckleheaded revelers hoot and holler, chanting, "Show us your tits!" Dozens of girls oblige. A gorgeous blonde negotiates a transaction with the residents of a second-floor balcony: a necklace in exchange for a peek of snatch. She lifts her skirt to reveal her neatly shaven twat. Frat boys, would-be molesters, hoboes and mooks crowd the girl, groping for a piece of her poontang. Appalled, she stows her snatch, then flashes it again moments later, spawning another coochie-grabbing frenzy.

The psychology behind the transformation from prude-next-door to manic tit-flasher after downing half a Long Island Iced Tea is better left unpondered. Instead, pop a cold one, kick back and enjoy the flood of nubiles caught with their shirts up and their pants down.

Cheap dates and first-time nudists bare all on home video.

Big Island Blues

ONE-QUARTER ERECT

Directed by Ralph Parfait; starring Lexus, Kobe Tai, Alexandra Silk, Suzy Cat, Mila, Rebecca Lord, Sindee Coxx, Alyssa Love, Shawnee, Jon Dough, Peter North, T. T. Boy and Vince Vouyer. Videocassette: Vivid Video.

Big Island Blues takes a planeload of Valley girls and pounds their twats against a tropical Hawaiian backdrop. Too bad the ensuing rote, inauthentic fucks are more workaday than getaway. Vince Vouyer hardly pays attention as he's boning Alexandra Silk; the swordsman's eyes wistfully sweep the beautiful landscape as Silk labors on his tool. Only French tart Suzy Cat puts any extra effort into her screws. While Mila slides her cooze over T. T. Boy's meat pole, Cat strokes and caresses Mila's ass as it slams against T. T.'s lap. "Fuck my tight little ass," Mila moans without a touch of irony, as T. T.'s engorged pole hides in her angry, red A-hole. Suzy Cat, the unsung heroine in this mediocre flick, jumps into the action three times, stroking shafts, slurping snapper and milking ball batter like a trouper. While so-called stars such as Lexus don nappy blond weaves and waltz half-heartedly through the action, up-and-comer Cat shows her true, nut-busting colors. If it wasn't for Suzy Cat and her colorful lays, *Big Island Blues* would sink beneath its own vapidity. —*N. V.*

Jim Holliday's Blonde Brigade

THREE-QUARTERS ERECT

Directed by Jim Holliday; starring Jill Kelly, Sydnee Steele, Felecia, Bobbie Bliss, Daisy Chain, Jessica Drake, Tabitha Stevens, Allysin Chaynes, April, Olivia Parrish, Ginger Paige, Evan Stone, Dillion Day, Ian Daniels, Julian and Jim Holliday. Videocassette: VCA Pictures.

In *Blonde Brigade*, Jim Holliday provides the offbeat stroker with an inscrutably effective, foot-worshiping fuck vid. A stellar cast of slits expertly suck toes as well as tube steaks. Jill Kelly supplements her hosting duties by riding Julian's hefty blood sword and nastily cornholing the diminutive Allysin Chaynes with hearty dildo stabs. Bobbie Bliss, Daisy Chain and Felecia partake in a crotch-tightening, all-girl orgy, replete with foot worship, sex toys and a loony subtitle explaining how a nearby four-alarm fire interrupted the shoot. It's also explained that purchasers of the DVD can enjoy Holliday personally "covering" the scene of the blaze. This brings up the matter of Jim Holliday himself. The self-described porn historian's incoherent ramblings have achieved an autumnal grandeur here. The shade-sporting enigma expounds at length on Del Shannon, urinating in large bodies of water and the difference between weasels and ferrets. The running commentary is riveting, as complete mental breakdowns often are. Character assassination aside, *Blonde Brigade* is well shot, and enthusiastic contributions from Sydnee Steele and April make Holliday's latest offering nearly irresistible. —*C. T.*

Sex Fun #3

HALF ERECT

Directed by Dave Cummings; starring Lauryl Canyon, Ryan Conner, Babyface, Justine Romee, Zarina, Layla Jade, Katya and Dave Cummings. Videocassette: Dave Cummings Productions.

Dave Cummings, sexagenarian director of *Sex Fun #3*, has one distinct advantage over most porn stars: His parents are most likely long dead and will never have to see their child subject oodles of fresh-faced snatch to his wizened violations. Courageously using outdoor locations, Dave alertly scans the terrain like a hardened soldier taking point, checking for any possible intruders while drilling the velvet trench of doe-eyed cockhound Ryan Conner. Dave's taste in cooze spans the gamut, from the teen quim of Brit slit Layla Jade to the haggard gash of Zarina. Each jizz queen lavishes slurping affection on Dave's improbably sturdy stovepipe, and Dave is always a gentleman to his daughter figures, whether he's drilling their shit tunnels or spunking on their milk bags. What prevents *Sex Fun #3* from bringing rods to full attention is a lack of vigorous fucking. For all of the attractive poontang on display, Dave is seemingly the only one having fun, audience included.

—*C. T.*

JIM HOLLIDAY'S BLONDE BRIGADE: Dillion douses April's fire.

Last Breath

FULLY ERECT

Directed by Luis Cypher; starring Jessica Darlin, Brigette Kerkove, Jewel Valmont, Krysti Myst, Allison Embers, Shelby Myne, Taylor Moore, Zarina, Envy, Herschel Savage, Lexington Steele, Luciano, Mark Woods, Jack Hammer, Rich Handsome and Backey J. Videocassette: Extreme Associates.

Jessica Darlin's a perverted angel who grants dying fools a final fuck before taking their *Last Breath*. In this demented take on *It's A Wonderful Life*, five gruesome deaths are put on hold long enough for life-affirming screws. Just as the poor saps realize how great a good shag can be, Darlin pulls the plug. Krysti Myst opts for a pill-induced final exit. Myst's boyfriend, Herschel Savage, discovers her cold body floating in the bathtub. A distraught Savage washes down a fistful of sleeping pills with Jack Daniels and collapses next to Myst's corpse. Darlin materializes and taunts the ghostly duo with the promise of eternal nookie. Krysti climbs on Herschel's meat pole for a spirited ride before he crams Myst's shitter and slimes her chin with a glob of spermy ectoplasm. Spectral spoilsport Darlin then sends the couple off to a sexless oblivion. Creative camera work, an intriguing story, cool animation and good music all breathe life into this undead thriller, but the ultimate credit is due to amazing girls such as Brigette Kerkove, Myst, Jewel Valmont, Allison Embers and Envy. *Last Breath* is hot enough to wake dead boners and make them gasp for more.

Phyllisha Anne a.k.a. Filthy Whore

HALF ERECT

Directed by Jeffrey Wolf; starring Phyllisha Anne, Kiss, Timber, Shelby Myne, Jessica Jewel, Tony Tedeschi, Herschel Savage, Damien Michaels and Rick Masters. Videocassette: X-Traordinary Pictures.

Sporting an endearingly cock-eyed stare and a slender bod that cries out for violation, *Phyllisha Anne a.k.a. Filthy Whore* embodies the gutter-slut ethos. Unfortunately, this tape is little more than a patched-together compilation. In the intro, Phyllisha exudes whorish glamour, sipping wine in front of a fireplace before sucking two swollen hog legs. An enthusiastic anal routing concludes with a nasty facial smeared across Phyllisha's trademark crooked grin. A routine collection of fucking and sucking follows. A poolside liaison featuring bleach-blonde Kiss showcases many colorful sex toys but little enthusiasm. Greaseball Tony Tedeschi stuffs his meaty rod deep into Phyllisha's receptive snizz, but no real nastiness of note transpires. "Living legend" Herschel Savage makes a cameo, only staying long enough for a brief blowjob. A four-girl orgy with Timber, Shelby Myne and Jessica Jewel fares better; all the sluts are in their slatternly element as they probe and penetrate their respective nether regions with the help of dripping toys. *Phyllisha Anne a.k.a Filthy Whore* was born to play her title role, but this tape never hits pay dirt. —*C. T.*

IDIOT'S GUIDE TO MAKING PORNO MOVIES: Pouty Felicia Ryder backs up for a rear-ender.

Idiot's Guide to Making Porno Movies

HALF ERECT

Directed by Robert Madison, Andre Maddness, William H. Nutsack and Sid Deuce; starring Felicia Ryder, Xtacee, Charlene Aspen, Justine Romee, Sid Deuce, Ronnie Cox, David Luger, Voodoo Child and Herschel Savage. Videocassette: Elegant Angel Video.

Federico Fellini, Louis Malle and Roger Vadim each composed their own cinematic riffs on Edgar Allan Poe in 1968's *Spirits of the Dead*. Now William H. Nutsack, Robert Madison, Andre Maddness and Sid Deuce offer their personal takes on the "pizza delivery guy" porn trope with *Idiot's Guide to Making Porno Movies*. The only rule is that each fuck vignette must involve the delivery of a pizza. While the results are predictably mixed, the strong work by Sid Deuce and Felicia Ryder makes this pie palatable. Ryder's direct approach to gagging on pizza boy Voodoo Child's uncut pepperoni and enthusiastically accepting his backdoor delivery will easily satisfy the raunch-hungry viewer. Sid Deuce doubles as director and star of her slapstick tale of twat. Playing the dopey slut role to the hilt, Deuce cheerfully coaxes the pizza guy's blood sword all the way down her gullet when she can't find the cash to pay for her pie. Deuce's hubby is briefly outraged when he stumbles upon the tryst, but Sid makes amends by impressively jerking her betrothed's crankshaft with her feet while sucking it at the same time. This kind of physical prowess keeps the lukewarm *Idiot's Guide to Making Porno Movies* from straying completely off course. —*C. T.*

LICK ME

I'm one sweet piece of ass, if I do say so myself. All I do is touch my damn self. I strip naked, stare in the mirror and say, *You luscious thing. Look at those big, beautiful tits. I am so lucky to be squeezing this incredible set of melons. And what an amazing pussy! So pink, so supple, so wet.* Then I frig my pretty kitty and watch as it shoots a jet of girl gunk smack into the mirror. I so relish my own snizz that I vowed to never engage in intimate contact with anyone but myself. Why would I ever want some stranger touching my flawless bits when my own lovely hands can give me all a girl could ever desire? Well, fuck, I found out why—last week I tried to lick my own snatch, and I got fucking stuck.

It happened on an otherwise typical evening of self-abuse. I was crouched on the floor over a mirror, admiring the supple motion of my fingers as they slid in and out of my snapper. My plump hooters swayed pendulumlike; I bent forward and touched my titties to their reflection. Witnessing four perfect breasts frolicking was so exciting to me, a gush of juice erupted from my vage. I examined the emission, dipping my fingers into the puddle on the glass and raising their moistened tips to my nose. I licked the remaining pearly liquid from the mirror, overwhelmed by the urge to slurp myself.

The ordeal began pleasantly enough. I lifted my tits to my tongue and lapped at my nipples. My body limbered with the blissful sensation. I licked my thighs, gazing longingly at my slippery clam as it smiled at me in the mirror. I spit on my fingertips and parted my labes, massaging my nubbin with the slick digits. *I'm ready to lick it*, I growled to myself. I pulled my knees to my ears and grasped my ankles so I wouldn't tip over. Gently, I bent toward my steaming honeypot, but all I managed in that posture was to stab my chest with my chin. I straightened my legs and plunged southward. This time I was even further away from my beloved box. *Silly me*, I realized, *I should be on my back. Then I can lift my ass up, and the forces of gravity will bring the pussy to my lips!* Thrilled with my ingenuity, I rolled onto my back and curled my body over my head until my weight rested on my shoulders and skull. Slowly, I lowered my pelvis faceward. I could smell my snatch's woodsy aroma; a drop of goo dripped from its wet slit and landed on my chin. I lifted my head slightly, thrusting my lips out in a vain attempt to reach the prized jewel. My balance slipped, and I dropped my head back to the floor with a thud. Frustrated, I clutched my butt cheeks and pushed them toward my face. This brought my pie a bit closer; so I pushed a little more. "This is it," I panted, giving my ass one more solid thrust. I heard a *pop*.

"*Ooooh* fuck," I gurgled. Whatever snapped, it locked me into that ridiculous contortion, my gash a mere tongue's lash away from my eager mouth. I flailed my legs in an attempt to undo myself, to no avail. I was paralyzed, ass over teakettle. I began to whimper. My pitiful murmurs quickly swelled into terrified screams. I was so tense and frantic that the mirror I was frozen on top of cracked under the pressure. I hollered in a blind panic. Just as my body was beginning to feel numb, I heard a pounding at my door.

"Ma'am? Ma'am!" a male voice boomed. "Are you all right?"

"Break it down," I yelled. There was a momentary silence, followed by a dull, ineffectual thud. More silence followed.

"Break down the door, you fucking faggot!" I bellowed, half insane.

My delirious demand prompted a cacophony of earnest thrashing and banging. Finally there was a deafening crash. A tall, lanky man entered, wearing what appeared to be plumber's coveralls with a patch that read HANK.

"You have to help me," I pleaded, "I can't move. You have to unsnap my spine."

Hank laid his paws upon my waist and tugged. I rolled down onto my backbone, rocking back and forth like a hobby horse.

Hot Letters

My pussy shook under his twirls and slurps. My engorged labes pulsed, massaging Hank's nose as he flicked my clit. I rocked against his mouth with increasing fervor.

"Grab me like a bitch and straighten me out!" I barked.

A look of great determination settled over Hank's face. He placed one palm firmly on my chest, the other on my pelvic bone. He inhaled deeply, braced himself and let loose all the manly strength he could muster. With an ear-piercing *crack*, my back gave way. I collapsed against the broken mirror. A piece of splintered glass cut my back.

"Can you move me off these shards?" I mumbled plaintively. The hero scooped me up and carried me to the bathtub. I sagged against the porcelain as warm water rose around me.

"Say, Hank, you could stay and watch me to make sure I don't die or anything?" I whispered. The handy fellow nodded and settled onto the toilet. I was so elated to be able to lie flat that I felt ridiculously horny. I actually wanted to be touched by another, and his name was Hank.

"I was all pretzeled up because I was trying to lick my own pussy," I smirked at my object of desire.

Hank was apparently shy and did not look at me, but nodded thoughtfully in response to my bold confession.

"What a nightmare!" I continued. "Maybe if you ate my cooter, I would feel better about all of this silliness."

Hank looked hesitant at first, but when I spread my legs, offering a clear view of my glorious, wet hole, Mr. Fix-It shucked his blue-collar duds and splashed into the water with me.

"Finish what I started, will you, Hank?" I purred, slithering onto my haunches so my sweet clam bobbed against Hank's nose. "You'd be the first. I've never allowed nasty fuckers to touch me before, but your bravery has won my heart."

Hank's tongue plunged into my slot. My pussy shook under his twirls and slurps. My engorged labes pulsed, massaging Hank's nose as he flicked my clit. I rocked against his mouth with increasing fervor. Water sloshed over the tub's rim and onto the floor. My vage tensed and tingled. I thrashed in ecstasy, creating a mini tidal wave, and finally collapsing nose-down in water as I climaxed. I choked and sputtered, bathwater burning in my lungs.

"Shit, Hank," I panted, languishing in the remaining inch of water while Hank toweled off and donned his coveralls. "You do my pussy better than I do!"

Hank nodded silently and wandered out the door.

"Will I see you again, Hank?" I called, but he was already gone.

I dare not attempt to lick myself again, but I crave cunnilingus something awful since my bath time with Hank. Unfortunately, it doesn't look as though Hank will return, and I hesitate to seek out another playmate. I've reverted back to my old, narcissistic ways. I still love to fuck my pretty self, but I may never come again like Hank made me come. —S. L.

Astoria, New York

CUNT-SUCKING FREAK

Greetings, mortal urchins of the daylight. Allow me to introduce myself. I am Herr Franzka the Vampyr, creature of darkness. I roam the night, stalking the blood of beautiful female mortals. I maintain strength and vigor for all of eternity by feeding on pure, young maidens. But no brutish ghoul am I! I do not drain the warm blood from their snowy necks—I steal the damsels' strength by entering into the hot, beating hearts of their pussies.

A couple of weeks ago, the university a few blocks from my home closed for the semester break, depriving me of the usual excess of tender prey. Several days later, I began to feel weak and puny. Fortunately, a few girls linger around town and frequent the bars. My growing hunger was restored most heartily by a lost soul named Lucretia. I will undoubtedly remain strong for the next 200 years after feeding from the fire that burned between Lucretia's creamy thighs.

It was the evening of the Sabbath, and I craved a glass of fine wine and a belly full of pussy juice. I donned my cloak and top hat and left my dark dwelling in search of a drinking establishment. I located a watering hole named Shacky's, entered and quietly took a seat at the bar. After ordering a deep, rich Cabernet Sauvignon, I noticed a lovely woman-child with a pallid complexion sitting a couple of stools down from me. She sipped something pink from a martini glass. I had the bartender mix another cooch-colored concoction for the fair mistress. When presented with the fresh cocktail, the little lady turned to me and stared with wondrously sullen, coal-black eyes. Two firm, young breasts heaved beneath the youthful goth's tattered Bauhaus T-shirt. I removed my chapeau, bowed to the beauty and asked if I might sit in the seat next to her. She nodded and sipped her drink.

"Good evening," I announced. "I could not help but notice what a lovely flower you are, like a black orchid. May I ask your name?"

"I never worry about vaginal odor when I eat my wife's pussy. I always put rotten meat next to it to knock the edge off!"

Hot Letters

The little sprite clambered on top of me and sat square on my face. I jabbed my tongue into her tight, tangy butthole. Her sphincters quivered and tickled my taste buds.

"Lucretia," she replied, twirling the miniature umbrella around her beverage and chewing on the ring pierced through her crimson lips. "Thanks for the drink. Aren't you a little old to be sporting the goth look?"

"This is no fashion statement, my child," I chuckled, amused by her candor. "I am Herr Franzka the Vampyr."

"That's cool," Lucretia nodded. "'Bela Lugosi's Dead' is my favorite song."

"Would you care to retire with me to my humble castle?" I inquired.

"All right," Lucretia shrugged, slurping the last of her cocktail. "It's pretty lame here at Shacky's."

Lucretia followed me to my abode. We reached the old stone building and ascended the stairs to my apartment. I opened the door to my charming dungeon and invited Lucretia in with a swoop of my cape.

"You're really into it, aren't you?" remarked Lucretia, noting the coffin in which I rest.

Lucretia flopped back on my red velvet fainting couch. She wore fishnet stockings under a short leather skirt. Lurking in the shadows of Lucretia's thighs, I discerned a clean-shaven, velvety snatch peeking through the netting. My divining rod twitched; I moved slowly toward her.

"I was not joking when I told you that I am a vampire," I stage-whispered. "I am dreadfully thirsty, and you can help. Do not be afraid, gentle maiden. I will not take your blood. I will instead draw strength from the shining jewel between your legs."

"You don't have to talk so fucking flowery," Lucretia snorted, lifting her skirt and tearing a hole in the crotch of her fishnets. "A good hump would be cool. Just don't try to bite me or any of that stupid shit."

I slowly unzipped my velveteen trousers to release my throbbing saber. Lucretia sat spread-eagle at the edge of the fainting couch. My chalky-skinned prey peeled her pink petals open with her hand and gestured impatiently.

"Come on, slowpoke," she urged.

"Ah, impatient lady! Take time to savor the—" Lucretia cut my speech short, pushing me to the floor and straddling me. She slid onto my veiny stake and proceeded to bounce rapidly on the wand. Little grunts and huffs escaped Lucretia's flared nostrils. She removed her Bauhaus shirt and fondled her creamy, braless boobies.

"*Unggggh*," Lucretia groaned, bucking her hips forcefully. "I'll squirt my cunt butter all over your freaky-ass, undead cock!"

I could barely move under this feisty little devil's intense thrusts and throttles. Suddenly, Lucretia dismounted my blood sausage and leaped into the coffin. She stuck her buttery ass in the air; the full, silky glutes bobbed over the casket's lacquered cherry exterior like a billowy specter.

"Hop on in and suck my pretty ass, ghoul boy!" Lucretia called.

I joined the spirited mare in the casket. The little sprite clambered on top of me and sat square on my face. I jabbed my tongue into her tight, tangy butthole. Her sphincters quivered and tickled my taste buds. Lucretia jabbed a finger into her slick kitty and frigged wildly. Drops of her bitch's brew splashed against my chin; I lapped eagerly at the precious fluids.

"You're a good butt-licker, vampire man," Lucretia cooed, twirling her bottom against my lapping tongue. "Now suck lots of cooter juice, otherwise you might turn to dust."

I suctioned my mouth onto Lucretia's vagina and quaffed the hot pussy plasma. I clamped my hands about Lucretia's waist and impaled her with my shaft. She wiggled and murmured with delight; I thrust deep and savored the softness of her cervix against my urethra. Lucretia grabbed me by the hair and announced that she was coming. With an enthusiastic shout, the pretty fireball's body exploded in climax. I responded by jettisoning a scalding wad of semen into her hot, shivering box.

I would have enjoyed sitting with Lucretia for a while, sharing stories of my days as a young vampire in Victorian England, but the sweet mistress lingered not. She hurriedly pulled her clothes on and darted out the door after thanking me for a "good lay," fleeing my life as quickly as she had entered. The pungent scent of her snatch, however, still clings to my coffin. The aroma keeps me hearty as a horse. Girls like Lucretia remind me to thank the dark fates that I was born a vagina vampire.

TIDY TWAT

I am a total clean freak. I won't touch anything without first swabbing it down with rubbing alcohol or bleach. My compulsion has made relationships with other people practically impossible. I shivered with pleasure as she squeezed the plastic bottle, releasing a jet of cool, cleansing liquid into my womb; the refreshing sensation was orgasmic.

always breaks down by the second date. I don't even want to *kiss!* Who knows what sort of hideous nastiness lurks inside someone else's mouth? For a long time, the only sexual gratification I could attain was by my own hand, in a hot shower so I knew I was clean enough to stick my fingers in my pussy. Then I met Dawn, the cleanest woman (other than myself) in the entire universe. Dawn has opened up a whole new world to me, most dramatically in the region between my legs.

Dawn runs a cleaning business called Magic Maids. I went to interview for a job as the receptionist there. I'd never felt especially attracted to women before, but the minute Dawn and I met, I knew she was something special. When she extended her arm to shake my hand, I didn't hesitate for a second. I almost wanted to lick her palm!

"Have a seat," Dawn said, pointing at an immaculately clean chair. I was there for a job interview and knew I was supposed to behave in a professional manner, but I couldn't stop staring at the squeaky-clean vision before me. I was struck dumb and entirely incapable of taking the seat she had offered me.

"Is everything all right?" Dawn gently inquired.

"Oh, yes, I'm sorry," I stammered. I laughed nervously and sort of fell into the chair.

"So tell me," Dawn began, "what makes you the best choice for the position of receptionist at Magic Maids?"

"Well, I'm extraordinarily clean, and I—*my God*!" I blurted, unable to contain myself. "You are the cleanest, most beautiful, sweetest-smelling human being I have ever encountered."

"Well, thank you," Dawn replied.

"Please don't freak out, but I think I might be really sexually frustrated," I blathered. "I don't want to be touched because people are so gross, so—*icky!* But you...you're spotless, and I find you wildly attractive."

Dawn smiled calmly. "Come, I'll show you my powder room."

I followed Dawn into the gleamingly sanitary restroom connected to her office. Dawn placed a Sani-Gard cover over the toilet seat and instructed me to remove my nylons and skirt. Shaking like a fawning puppy, I removed the garments and sat on the toilet. Dawn scrubbed her hands with a surgeon's thoroughness before donning latex gloves. She opened the cabinet under the sink and removed a package that read LADY FRESH.

"Douching can be very erotic," Dawn stated, removing the product from its box and kneeling in front of me. The hygiene-conscious honey parted my legs and inserted the nozzle into my already gushing vage. I shivered with pleasure as she squeezed the plastic bottle, releasing a jet of cool, cleansing liquid into my womb. Dawn then slid the applicator out of my snatch. Flower-scented water dribbled out of my cunny; the refreshing sensation was orgasmic.

"Very good," Dawn nodded in approval. She returned to the cabinet under the sink and retrieved a large, pink dildo.

"I want you to watch me clean this dong so you know it's sterilized," Dawn explained, running hot water in the sink and lathering the plastic penis with antibacterial soap. She scrubbed the ersatz pecker with great expertise, then patted it dry with a lint-free paper towel.

"Now I will apply an odorless, flavorless lubricant and insert the dildo into your vagina," Dawn announced in a comforting clinical tone. I nodded with wide, waiting eyes. When the schlong was sufficiently greased, Dawn gently parted my legs with her gloved hands and slid the wang into my conch. The sensation of the latex love stick was entirely alien and filled my cunt to blissful suffocation. With robotically steady rhythm, Dawn pumped the peen in and out of my slot. I gasped and trembled with each stroke.

"Ooh, you're so clean," I moaned. "You make me come, flawless, beautiful you!"

My cookie convulsed with uncontrollable orgasm, nearly shaking the faux peter from Dawn's steady grip. She held the schlong firmly in place, allowing my pussy a moment to rest before extracting the dong and returning to the sink to decontaminate it.

"Thank you," I gasped.

"You're so welcome," Dawn smiled politely. "You can start Monday. I'll show you how to use the phones then."

I feel a little naughty for fooling around with my boss, but it's a very happy arrangement for both of us. Last week, I administered a douche to Dawn for the first time. She promises to let me stick the dildo in her soon. I can't wait! I've never been happier, and my little beaver has never been cleaner.

ANCIENT RITUAL LASHES OUT AT FEMALE SEXUALITY

BY CATHERINE CAROL * ILLUSTRATION BY DAVE COOPER

In a small hamlet located in the desert wastelands of Djibouti, in east Africa, a hut made of grass, sticks and mud provides shelter from the blazing heat of the sun. Inside, a six-year-old girl sits naked on a wooden stool. Three women are with her; one clasps her arms around the young girl's chest in a viselike grip, and two others pull the girl's legs apart, spreading her prepubescent vulva.

An elderly woman enters the cramped, dusty shanty clutching a razor in her palsied hand. She approaches the child and recites a short prayer, then stuffs a rag into the girl's mouth. Without another word, the old woman severs the child's clitoris with the razor. The girl writhes wildly, and muffled screams fight against the gag in her mouth. The three attendants brace the youngster. Once she is still, the old woman completes the procedure, cutting out the tot's inner labia, then scraping away the meaty flesh of the outer vagina.

Blood pours from the child's crotch. The old woman sops up the mess with a cloth so that her attendants may inspect her handiwork. They poke fingers into the wound and nod with approval. The young girl whimpers pitifully.

The old woman fastens the remaining flaps of vaginal skin together with acacia thorns, then secures the barbs with horsehair. A tiny hole is left to allow urine and menstrual blood to pass. To ensure that the wound heals properly and creates a tight seal, the girl's legs are tied together with rope. She will remain so bound for at least a week. Finally, the delirious, exhausted child is dressed and stretched out on a cot to rest.

Female circumcision is an ancient rite that still thrives today, mostly in underdeveloped countries in Africa, the Middle East and Asia. But female genital mutilation (FGM) is by no means strictly a foreign affair. Signs of the practice have been noted among immigrant groups in western countries, including the United States.

Forward UK, England's leading charity working against female genital mutilation, estimates that of the two million female circumcisions that are carried out each year, 3,000 are performed in Britain.

In April 1999, a San Francisco Bay-area man threatened to sue a hospital for "opening" his daughter, who was dying of toxemia related to her circumcision, which was closed so tightly that her vagina retained urine and menstrual blood. Referring to his daughter, the father complained, "No man will have her," and that she was "better off dead than opened."

Overall, an estimated 100 million women worldwide, usually prepubescent girls, have been subjected to operations that range from a tiny nick in the clitoral hood to complete genital elimination. The primitive operation is most often performed by elderly women using crude, unsterilized instruments. Anesthesia is rarely employed. Some girls die as a result of bleeding, infection and shock, and the procedure can lead to long-term urinary and reproductive problems.

"These women [who perform circumcisions] go door-to-door with a filthy razor," says Waris Dirie, a native of Somalia who was circumcised at age five. "They have no training; they don't know what they are doing."

Pius Kamau, a Denver, Colorado, doctor born and raised in Kenya, characterizes these amateur surgeons as little more than butchers.

"The instruments used were never sterile, aseptic technique never having been heard of by the tribal doctor—usually some decrepit old witch whose only qualification was a steady hand, a firm grip and an unflinchingly cruel mind that never said, 'I give up' in the face of torrents of blood," explains Dr. Kamau.

Sex Play

Male partners of circumcised women are often physically incapable of penetrating their wives. In such cases, frustrated husbands have been known to cut women's vaginas open with a blade.

Girls as young as three years of age have been subjected to the crude operation, which is considered a precondition for marriage in some communities.

Mimi Ramsey, an Ethiopian woman who moved to the United States and eventually founded Forward USA, a California-based anti-FGM organization, was herself circumcised when she was six years old.

"When they cut you, they lie to you," Ramsey says. "Mine was, 'If it's not cut, it's going to grow long like a penis.' Your mom says this, and you give in."

Some practitioners of female circumcision believe that a woman's genitals are unsanitary when left in their natural state; cutting away undesirable body parts keeps the female sweet-smelling and prevents "dirt and worms in the vagina," as one Sudanese woman explains. The operation is also considered a necessary rite of passage into womanhood.

"When I was young, I couldn't wait," Waris Dirie says. "Afterward, you are automatically treated like a woman. I didn't want to be a little girl anymore. I wanted to be a big girl. I kept telling my parents, 'I want to be next.' "

Whatever the justification, female circumcision appears to be targeted specifically at eliminating a woman's ability to enjoy sex, let alone achieve orgasms. Mimi Ramsey, of Forward USA, explains that mothers fear that their daughters, if uncut, will become "man-crazy."

"They think it is for the women, so they won't go wild and sleep around," laments Dirie, "but it is really for the men, so they will have power over [women]."

Male partners of circumcised women are often physically incapable of penetrating their wives' rigidly scarred vaginal openings. In such cases, frustrated husbands have been known to cut women's vaginas open with a blade. According to Hanny Lightfoot-Klein, who researched female circumcision in Sudan, men who are unable to penetrate their wives sometimes create a "false vaginal canal" as a result of repeated pressure. When such an opening is created, a man is unwittingly having sex with an open wound.

Female circumcision is regarded with horror and disbelief by the average American, but as recently as 1894, a New Orleans doctor named A. J. Bloch performed a clitoridectomy (the excision of the clitoris) on one of his patients, a 14-year-old girl. Bloch said he had cured the girl of the "moral leprosy" of masturbation. Although Western medicine has long since abandoned genital mutilation as a treatment for an overheated sex drive, American doctors continue to hack into women's genitals for dubious reasons.

In instances where a child is born with a clitoris that is thought to be oversized, some physicians recommend whittling back the sensitive flesh in an effort to "normalize" the genitals.

"I don't think parents can be told, 'This is a normal girl,' and then have to be faced with what looks like an enlarged clitoris, or a penis, every time they change the diaper," says Dr. Anthony Caldamone, head of pediatric urology at Hasbro Children's Hospital in Providence, Rhode Island. "We try to normalize the genitals to the gender to reduce psychosocial and functional problems later in life."

Owning an average-sized clitoris may make a young girl feel less like a physical aberration, but it's possible that reduction procedures can leave a person orgasmically impaired.

"The truth is, genital surgery is being done, but we don't know what the outcome of it is, sexually or otherwise," admits Dr. Justine Schober, a pediatric urologist in Pennsylvania. "We don't have any long-term studies."

Controversy about female circumcision erupted in the United States when Fauziya Kassindja, an African woman, was arrested by customs officials at Newark International Airport for carrying a fake passport. The Togo native fled to America after her fiance demanded her genitals be cut off before they were married. Kassindja spent 16 months behind bars while her plea for asylum was considered. Finally, an immigrations judge ordered the woman back to her homeland, provoking a media firestorm and an intense letter-writing campaign.

The Immigration and Naturalization Service eventually set Kassindja free and recognized FGM as a form of persecution. In September 1996, Congress followed suit by outlawing female circumcision, making it punishable by five years in jail.

The director of a women's clinic in Denver, Colorado, told the Associated Press in 1999 that she examined a 16-year-old patient who reported having been cut while in this country.

"How could you do this?" Forward USA's Ramsey says. "Do you cut off the hand of a boy because you are afraid he might grow up a thief? Our brains are in our heads, not between our legs."

"If she ain't careful, she's gonna price herself right out of business!"

"Fucking is an internal journey for me," coos Karly, embarking on yet another voyage to raise her erotic consciousness.

"Before I could really experience shared sexual ecstasy, I had to practice harnessing my own orgasmic potential," she reflects, fingering the moist, pink grotto between her tan legs. "Meditation, coupled with masturbation, of course, helps me focus my energy on my body's ability to feel pleasure."

The spiritual-minded onanist's head tilts back. A glistening finger tickles her pulsing love button. Karly's love-slick hand and a fierce shudder testify to another successful sortie into her pleasure zone.

The golden-tressed explorer sighs as her voluptuous figure trembles. "All I need now is someone to join me on my pilgrimage."

EVERY FREAK WITH A VIDEO CAMERA AND AN EXHIBITIONISTIC STREAK SEEMS TO BE AIRING THEIR VERY OWN NUDE REVUE ON BASIC CABLE STATIONS, AND THESE LOW-BUDGET, PUBLIC-ACCESS RAUNCHMONGERS ARE TRANSFORMING THE IDIOT BOX INTO A HARD-CORE BOOB TUBE.

"Do you shave your balls, Peter?" Colin Malone, host of Colin's Sleazy Friends, asks his guest, porn stud Peter North. After North answers in the affirmative, fellow guest and XXX star Jewel De'Nyle says, "I like to stick the whole nut sac in my mouth."

"Who doesn't?" quips Malone, who proceeds to screen an X-rated clip from North Pole #7, in which two mechanics pull down De'Nyle's skintight mini-dress and suckle her silicone chest bags. One grease monkey massages the porn star's crotch.

Jewel De'Nyle replicates the raunchy action on Colin's live show, lifting her shirt, cupping her breasts and shaking them up and down. Peter North helps himself to one of De'Nyle's boobs and suctions a nipple into his mouth.

De'Nyle then bends over and pulls her pants around her knees, flashing the television audience with her snatch and cornhole. After North spanks De'Nyle's ass cheeks, she sits on his lap and masturbates. ➤

Cable television originated in 1948 as a way for viewers in rural Oregon and Pennsylvania to receive broadcast signals, but it wasn't until the early 1970s that public-access cable made its way into American living rooms. In a marketing scheme intended to drum up subscriptions to the new medium, cable stations offered viewers the chance to air their very own TV shows. By providing access to channel space and studio equipment to the general public, cable companies gave rise to some of the most inane, low-budget and outrageous programming to ever air on TV.

Today, nearly 70% of American homes subscribe to cable; so raising awareness is no longer a concern for cablecasters, but public-access TV is more popular, and more sexually explicit, than ever. Since the homemade programming is given a long regulatory leash, almost anything goes on local public-access programs.

"Some of my shows are way beyond what the Spice Channel shows," says Harley Fire, host of *Harley's Video Party*, which airs in Los Angeles and Manhattan. Fire has taped a segment featuring porn star Tony Montana receiving a blowjob from a trio of porn sluts.

"It's pretty hard-core," Fire says. "You're seeing open shots; you're showing a little masturbation—it's more in-your-face than it would be on the Playboy Channel."

Before pulling the plug on her own broadcasting career recently, Sandy Kane, a former *Over 40* model, routinely exposed her hefty breasts on her Manhattan-based *Sandy Kane Blew Comedy Show.* On a recent episode, Kane pulls down her velvet, leopard-skin bikini to reveal the "Howard Stern for Governor" stickers that cover her nipples; next, Kane activates a vibrator and slides the shaft between her floppy honkers. She then pulls down her hotpants and asks, "Who wants to smell my undies?"

As she does in almost every episode of her show, the raunchy entertainer breaks into song: "My underpants are brown, and my pussy's gray," Kane sings, then pulls her G-string to the side, revealing her hairy snatch. "I lied," she says.

At the end of the show, Kane bounces her breasts in time to a musical accompaniment, then bends over and sticks her dildo in her ass.

Another public-access show broadcast in New York City, *Sexy Soul/Black Erotica*, mixes explicit strip-club footage with music videos. In one episode, an Asian girl dances on a small stage, a green-mesh thong bikini wedged deep in her ass crack. The stripper turns around to show off her erect brown nipples, then swivels again, peels off her bikini bottoms, spreads her legs wide and lodges her fingers in her pussy. As a finale, the Asian minx slowly withdraws an impossibly long string of beads from her snatch.

The next guest on *Sexy Soul/Black Erotica* is a topless black dancer with gigantic hooters. At first, the camera focuses on both mammoth mounds of flesh, but eventually one enormous udder fills the entire television screen. The dancer then lowers herself onto all fours with her shaved pussy aimed directly at the viewing audience.

Goddess Kring is a cable-access show that seeks to educate through nudity. Shannon Kringen was fired from a peep-show club in Seattle for being overweight, so she decided to bring her full-figured form to the local television screen. Kringen describes herself as "a political activist for freedom to be natural."

On a typical episode of *Goddess Kring*, Kringen dances in her apartment wearing nothing but green glitter lipstick on her mouth and nipples. She alternately lip-synchs Tom Petty songs and hefts her breasts in front of the camera for lingering big-boob shots.

Kringen considers her show to be an example of "erotic performance art" that makes a statement about "full-figured beauty."

For Kringen, nudity serves more than just a political purpose—she realizes that naked bodies attract viewers.

"I knew it would get people's attention," Kringen says. "Channel surfers would be like, 'Hey, what's that?' "

Not everyone appreciates Kringen's ideas about political expressiveness.

"My freedom is being challenged at the cable studio," Kringen claims. "Some conservatives are complaining about my nakedness on the air."

Goddess Kring may generate controversy, but Kringen's show is tame compared to the *Jim Spagg Show*, which airs in Portland, Oregon. In one episode, Spagg washed his uncircumcised penis in the shower.

"I'm showing people that when you're not circumcised, you have to wash your

Being a woman of leisure is a full-time occupation for Pamela.

"Maintaining my skin tone is a top priority. Spending all this time in the sun means moisturizing every day," stresses the privileged beauty, surveying her luxurious domain.

"I've thrown parties here that were hot enough to make your skin boil," Pamela boasts, "but I don't let all the hard living take a toll on my body."

The tanned tramp slides her exquisite, oiled hands to the center of her tender furrow. Pulling open her labes, Pamela exposes a perfect, blushing quiff.

dick," Spagg explains. "You have to pull the skin back. The political people who saw this interpreted it as me masturbating. I wasn't masturbating. I was showing people how to wash my dick. I wasn't going back and forth; I was being educative.

"Simply stated, my shows are operating on two really simple ideas. One is that people are too busy and too serious, and the other is that nudity is not dirty," Spagg adds. "What I do on my show is, I show explicit nudity: close-up shots of genitals and tits and asses."

Spagg intercuts footage of himself and others dancing around naked in the studio with videotape of nude beaches, which, for Spagg, perfectly represent the ideas he's trying to pass on to his viewers.

"I like nude beaches because when I say nudity is not dirty, I'm also saying you don't have to be beautiful to be naked," says Spagg, echoing a de facto rule of many public-access raunchmongers.

According to a 1996 Supreme Court decision (*Denver Area Educational Telecommunications* v. *FCC*), cable companies are not allowed to censor public-access shows unless a program contains material that is commercial, slanderous, threatening or obscene. At the same time, the high court doesn't grant cable operators immunity from obscenity charges; so many of the providers take measures to protect themselves—measures that may interfere with free speech.

"The Telecommunications Act of '96 makes the cable operator responsible for defining community standards," says Bill Rosendahl, vice-president of operations for Adelphia of Southern California, a cable TV provider. "So the buck's been passed to the local cable operators because no one really wants to deal with those issues."

When he is concerned that a show might cross prosecutable lines, Rosendahl sends a tape to lawyers to determine whether or not to air it. "You could have 100 lawyers in a room and get 100 opinions," concedes Rosendahl. "The best censor is the person on the receiving end turning the dial or turning off the set."

Harley Fire, whose *Harley's Video Party* is routinely prescreened by Adelphia for objectionable content, feels that he is being unfairly harassed.

"They try to get me for everything—any little thing they can use so they can pull it off [the air]," Fire says. "I try to fight with these people, but it's a pain in the ass. I can't invest all this time calling them six, seven times a week to find out why the show didn't play."

Anthony Riddle, the executive director of Manhattan Neighborhood Network, which transmits *Sexy Soul/Black Erotica*, monitors possible obscenity less stringently than Rosendahl. MNN does not prescreen any of its shows for content that might offend the sensibilities of its subscribers, but the company will occasionally impose sanctions on a producer if a program is believed to go too far.

"We don't want to be the thought police," explains Riddle. "We don't think it's appropriate to look at every program and try to decide what's the community standard and what's not the community standard.

"We probably have the most liberal policies in the country regarding content," adds Riddle. "We really stick strictly to the [Supreme Court's] *Miller* test. It has to fail all three prongs: [material is considered obscene if] it doesn't meet community standards; it treats sexual biological processes in a way that is patently offensive; and it doesn't have either scientific, educational, political or artistic merit. It has to fail all of those."

Because the Supreme Court's *Miller* v. *California* decision left it up to municipalities to determine what is obscene, the same program can receive different treatment in different cities.

The Dr. Susan Block Show, a Los Angeles-based cable program, has taped segments that feature extremely explicit sexual content.

"We deal with every aspect of sex on the show, from the mildest to the wildest," says Block, who interviews her guests while reclining in bed and wearing a push-up corset and garters. "One guest played the piano naked, and after that, she very eloquently stuck her own fist up her ass. We also just aired a show that includes oral sex as well as intercourse. I've aired golden showers. I've aired all kinds of sex."

Block enjoys a relatively permissive atmosphere in Los Angeles, but in 1994, the producer and host of *Infosex,* a cable program that aired in Texas, were convicted on obscenity charges for cablecasting a graphic, three-minute safe-sex segment.

Infosex, which aired after midnight, included a clip produced by the Gay Men's Health Crisis, a New York AIDS awareness group, which showed men using condoms and having sex. An avalanche of complaints from subscribers prompted a grand jury in Travis County, Texas, to indict the show's producers for violating community standards and for

Without practicing outright censorship, cable companies can dramatically decrease a program's viewership if the show is deemed to be offensive.

recklessly displaying harmful material to minors. The two men were acquitted of the latter charge because the program was aired late at night with sufficient content warnings.

Texas and Los Angeles are a world apart in terms of cultural climate, but the way community standards are defined by cable operators can vary even within the same city. Harley Fire says that the cable company in Los Angeles's San Fernando Valley agreed to show a "large outdoor orgy," but the station manager in neighboring Santa Monica refused to air the same episode. Because the two cable systems border each other, one person would be allowed to see things that his next-door neighbor wouldn't.

Without practicing outright censorship, cable companies can dramatically decrease a program's viewership if the show is deemed to be offensive.

"What they've been doing around the country is channel-slamming, and that's a huge issue for us," says Bunnie Riedel of the Alliance for Community Media, a Washington-based group committed to assuring the broadest possible dissemination of electronic media, including public-access TV. "That's basically where the cable operators come in and say, 'Look, we gotta have this channel 'cause we're rearranging our lineup, blah blah blah,' and they'll take an access center that has been on Channel 6 or whatever for 15 years and slam it to the end of the spectrum in the 70s or 80s."

Until recently, *Colin's Sleazy Friends* aired on Channel 3, sandwiched between CBS and NBC.

"We put our show between Letterman and Leno because people flip through to check out the guests," says Colin Malone. "We knew that was going to be a hot place to be right around midnight, but now we're on 77; so you have to look for us."

According to Malone, Los Angeles Mayor Richard Riordan "saw a couple episodes of our show and flipped out. He couldn't believe the city was paying for this kind of programming."

The L.A. City Channel, the cable provider that aired *Colin's Sleazy Friends*, is owned by the city of Los Angeles. In order to continue to receive municipal funding, the L.A. City Channel was required to change to an educational format. *Colin's Sleazy Friends* had to go.

"I could argue for days that my show is educational," says Malone, "but I didn't feel like battling that one."

While Bunnie Riedel feels that *Colin's Sleazy Friends* is educational only in a "gynecological sense," she believes the public-access program was unfairly bullied from its high-profile broadcast spot.

"I want to know who the mayor thinks he is," says Riedel. "How dare he decide what's to be done with the public trust? Colin or no Colin, I think it was just unforgivable to unilaterally take away what belonged to the people of Los Angeles."

Mayor Riordan's office has failed to return repeated requests for comment.

Another way that cable companies can censor adult programming is by dictating what can and cannot be done at their facilities. MediaOne in Hollywood, for example, does not allow nudity in its studio.

"It's actually a workplace environment issue," insists Gisselle Acevedo-Franco, MediaOne's director of corporate communications. "Is it appropriate or reasonable to subject our employees to nudity in the studio?

"It's not a First Amendment issue," Acevedo-Franco adds. "We're not violating the First Amendment, because if they want to tape it anywhere else, they're welcome to, and we still would air it. The issue is: Can we control the dress code in our facilities? Yes, we can."

Even if a cablecaster can't censor a show, the company can demand that sexually explicit shows air late at night. *Virgin Models*, a public-access program based in Brooklyn, New York, features young women posing topless. Viewers can vote for their favorite models at www.virgin-models.com. Even though *Virgin Models* is little more explicit than a copy of *Vogue*, which is available at any supermarket checkout counter, the public-access program found itself banished to the wee hours of the morning by the cable company that controls its distribution.

Because of this practice, known as "safe harboring," studios that technically allow nudity can make live shows impossible if guests want to take their clothes off.

Jim Spagg produces his adult show in a Portland, Oregon, studio that has no official opposition to nudity. "I'd like to do the nudity live," says Spagg. "But you have to show [adult-content programs] after ten o'clock. And when the station found out that I was doing nudity, they conveniently decided to close the studio at ten o'clock.

"There are a lot of people who really think my show is great," Spagg adds. "There are probably a lot more people who hate it. They think kids are just

Bunny smiles mischievously at the golden stream cascading from between her meaty lips.

"I've always been into water sports," admits the dripping young nympho. "A boyfriend once took me to this water-ride amusement park, and I fucked him on three different water slides in one day."

Remembering her sexual transgressions at the family-entertainment mecca, Bunny probes her wet spot with a moist finger. She squeals and rocks her hips, slipping one end of a snaky dildo into her dripping quim.

After a heated round of diving deep into her fun hatch, Bunny wipes away a heavy coat of clam jam. "I love washing off," purrs the sexed-up sprite. "It gives me a chance to get dirty all over again."

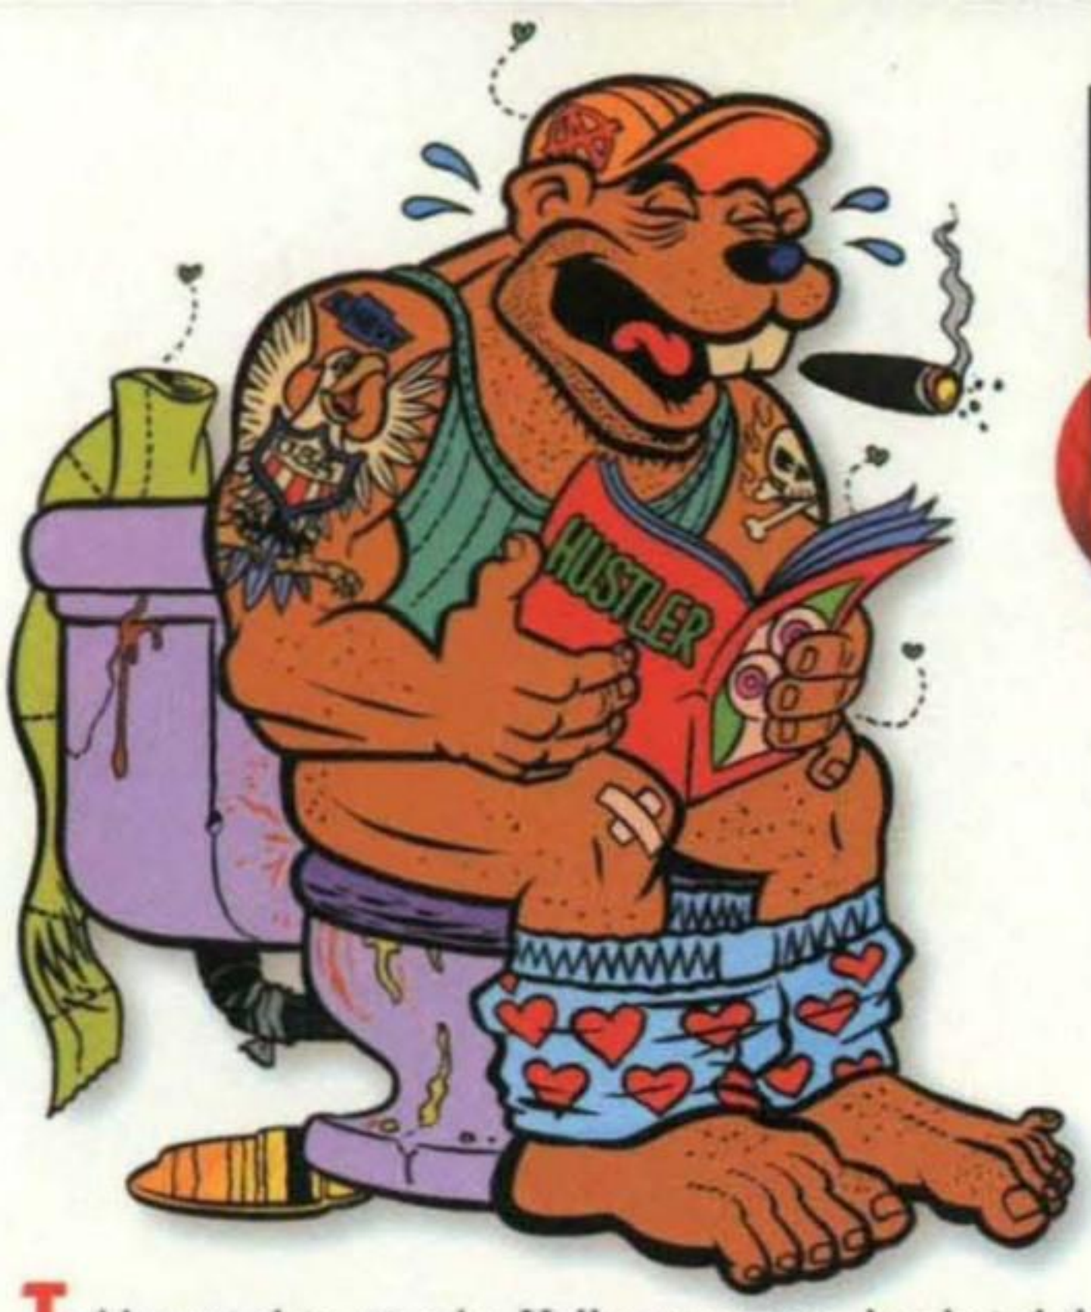
HUSTLER HUMOR



Todd wanted to attend a Halloween party, but hated the idea of paying for a costume. After racking his brain, the cheap bastard finally figured out a compromise: Todd showed up at the party wearing jeans, but no shirt, shoes or socks.

"What the hell are you supposed to be?" asked the surprised hostess.

"A premature ejaculation," said Todd. "I just came in my pants."

Question: How do you convert a dishwasher into a snowblower?

Answer: Give the bitch a shovel.

Alice was trying on a new dress at the store. She studied herself in the mirror, then asked the saleswoman if the plunging neckline was too revealing.

"Do you have hair on your chest?" the saleswoman asked.

"Of course I don't," Alice replied hotly.

"Then yes, it's too low-cut."

The HUSTLER Dictionary defines *two-bit hooker* as: a quarter pounder.

A cop was walking his beat when he caught a young kid masturbating behind some crates in a back alley.

"What's this?" the policeman asked.

"What does it look like?" the boy replied. "I'm pulling my pud."

"You'd better not," the cop warned. "When I catch a young fella doing that, I cut his dick off, stretch and dry it, put a leather thong through one end and make a police baton out of it."

"Bet I know what you do when you catch a girl jerking off," the youth offered.

"What's that?" the cop queried.

"You cut out her cunt, stretch and dry it, then put it in a blue uniform."

Ivan Verushkova, an old Russian, was walking through Red Square when a black marketer sidled up to him, opened his trench coat and offered some contraband Viagra for ten rubles.

"No, not worth it!" Ivan barked.

"How about five rubles?" the smuggler countered.

"No, not worth it!"

The trench-coated man was baffled. "In America, these pills cost ten dollars each," he said. "Dollars, not rubles."

"In America, that's a good bargain," Ivan agreed, "but with a wife like mine, it's not worth it."

Roger lay in his hospital bed after a risky operation on his balls. Soon after he awoke from the anesthetic, the nurse bustled in.

"How did everything go?" the patient croaked.

"We saved your testicles, sir," beamed the RN.

"Thank God!" Roger cried.

"They're under your pillow."

Question: What's Ronald Reagan's favorite pickup line?

Answer: "Do I come here often?"

Joe called his ex-wife and disguised his voice. "May I speak to your husband?" he asked.

"Look, asshole!" the ex shouted. "You've called here every day for three weeks! I keep telling you, he moved! We're divorced!"

"I know," Joe said. "I just can't hear it often enough."

Mary Ellen wanted to make a difference in young people's lives; so she went to work as an elementary school counselor. During recess on her first day, the eager professional saw a girl standing by herself while the rest of the kids played soccer across the field.

"Don't worry, honey," Mary Ellen reassured the child. "I'll be your friend."

The girl shrugged and shot the counselor an annoyed look.

Mary Ellen persisted. "Now that we're friends, tell me why you're over here all alone."

The kid shouted in exasperation, "Because I'm the fucking *goalie!*"

EDUCATION OF A FELON

A CAREER CRIMINAL LEARNS VIOLENT LESSONS BEHIND BARS

MEMOIR BY EDWARD BUNKER * PORTRAIT BY RICHARD KERN

AT THE AGE OF 17, EDWARD BUNKER DID HARD TIME IN SAN QUENTIN STATE PRISON, MAKING HIM THE YOUNGEST CON EVER SENT THERE. HE SPENT MUCH OF THE NEXT 20 YEARS BEHIND BARS. JAIL TIME COMPELLED BUNKER TO WRITE; HIS FIRST BOOK, *NO BEAST SO FIERCE*, WAS EVENTUALLY MADE INTO A FILM, *STRAIGHT TIME*, STARRING DUSTIN HOFFMAN. SUBSEQUENT BOOKS, *THE ANIMAL FACTORY*, *LITTLE BOY BLUE* AND *DOG EAT DOG*, ALL MET WITH CRITICAL ACCLAIM. IN THE FOLLOWING EXCERPT FROM HIS RECENTLY PUBLISHED AUTOBIOGRAPHY, BUNKER REMEMBERS BEING A 15-YEAR-OLD FELON LOCKED DOWN WITH NOTORIOUS CRIMINALS IN THE L.A. COUNTY JAIL.

The L.A. County Jail was on the tenth through 14th floors in the Hall of Justice at the corner of Broadway and Temple Street. A deputy led me through the maze of the jail to the tenth floor. During the walk, we passed walls of bars, inside of which were walkways outside cells. The jail was crowded.

The tanks were racially segregated for the most part. One exception was the queens' tank. With towels wrapped like turbans around their heads, jail shirttails tied at the bottom like blouses, makeup ingeniously concocted from God knows what, jeans rolled up and skintight, they were all flamboyant parodies of women. Spotting me as I walked with the guard along the length of their tank, they hurried along beside us: "Put him in here, Deputy! We won't hurt him."

The deputy snorted and quipped, "All we'd find is his shoelaces."

"What's your name, honey?"

I didn't reply.

"Who'd you kill, kid?"

"If you go to the joint, I'll be your woman—and kill anybody that fucks with you." ➤

Education of a Felon

In jail, you never ask anyone what he did but, rather, what the authorities alleged he did. That way you could answer without admitting anything.

I said nothing. It was a loser to exchange quips with queens; their tongues were too sharp, their wit too biting. Needless to say, I had no worries about anyone fucking me. I was no white-bread white boy. If someone said something wrong or even looked wrong, my challenge would be quick, and if the response was less than swift apology, I would attack forthwith without further words.

When we were past the queens' tank, we continued through a maze of steel stairs and bars, past pale-green tile walls, past white tanks, black tanks, Mexican tanks. We came to a tank with a nearly empty runway. A bridge game was in progress on the floor, a folded blanket serving as a table. The escorting deputy handed the tank deputy my booking papers. "You're in Cell 6," he said, beckoning me toward the gate into the tank. "Fish on the line!" he yelled. "Cell 6."

He unlocked the tank gate and pulled it open. I walked down the tier. Cell 6 already had two men on the two bunks.

"Come on in," said the man on the top bunk. He was small and muscular, in his late 30s, with gray sideburns. The man seated on the bottom bunk wore a tank-top undershirt that bulged at the gut. He looked to be Italian.

I was being locked in a cell with two grown men facing trial on the most serious felonies imaginable. From the front the jailer yelled, "Watch the gates! Coming closed!" All the cell gates slammed shut with a horrendous crash of steel on steel. Throughout the jail, gates were vibrating and slamming shut. It was a general lockup. The heavyset man on the bottom bunk moved over. "Sit on down. How old are you?"

"Nineteen," I lied.

He shook his head and grunted. His name was Johnny Cicerone, and he was a real Mob guy, or the L.A. version thereof. Johnny controlled a bookmaking operation in several factories and the general hospital; plus he was the muscle for the Sica brothers, Joe and Freddy; Jimmy "The Weasel" Fratianno; and Dominic Brooklier, the *capo de regime* on the West Coast. Legend had it that they made their bones taking out Bugsy Siegel.

"How'd you get in high power?" asked the smaller man, whose name was Gordon D'Arcy. "Who'd they say you killed?" (In jail or prison, I would learn, you never ask anyone what he did but, rather, what the authorities alleged he did. That way you could answer without admitting anything.)

"Nobody. I stabbed a bull in Lancaster."

"Stabbed a hack! Damn!" His surprise was evident. He gestured toward my bruised and battered face. "Looks like they fucked you up."

"Yeah, they danced on me a little. It's no big thing." The stoicism valued in the underworld was already part of me. Never snivel. Try to laugh, no matter what.

D'Arcy grinned. In the upcoming days I learned that he was a professional armed robber facing a life sentence for kidnap/robbery.

"Chow time!" bellowed a voice at the front. I heard the click-clack of a gate being opened at the rear. An obese Asian shuffled past in slippers. "Who's that?" I asked.

"Yama shit or somethin' like that," Cicerone said. "He's been here since '45...or maybe '46. Sentenced to death for being a traitor."

The next man was also headed for death row. He was big, with a hawk nose that had been broken more than once. He was Caryl Chessman, the Red Light Bandit. I'd heard about him. He was supposed to be very smart. A detective once compared me to him. He passed and returned to his cell. Next was a small man with a sharp ferret face and scar tissue that stretched the flesh around his right eye. I was standing at the bars. He did a double take and stopped when he saw me. "God damn! Who're you?"

I recognized the underlying message. My face turned fiery.

"Move it, Cook!" yelled the guard up front.

Cook winked at me and continued to the front for his food. When he came back, I was at the rear of the cell, sitting on the toilet. He was looking for me. When he saw me, he blew a kiss. I didn't know who he was. I didn't care who he was. I jumped up. "Fuck you! You fuckin' punk motherfucker."

"Aww, baby, don't be so mean."

"Get in your cell, Cook!" yelled the jailer. "Grab a hole!"

When Cook was gone, I asked my cell partners, "Who's that motherfucker?"

"Billy Cook," D'Arcy said. "He killed a family in Missouri and dumped them down a well. Then he killed some other people while he was coming west. They caught him in Mexico and threw him back across the border. He killed some guy that picked him up here in California. He got sentenced to death yesterday."

I vaguely remembered hearing about the case. "He's got an eye that won't close, right?"

"Yep. When they nabbed him, they didn't know if he was awake or asleep because of that eye."

"I'm watching you, CNN!"

PAT ROBERTSON PRAYS TO HIS ONE TRUE GOD

J. Billette

Education of a Felon

I planned to attack a maniac who had killed seven times. What else could I do? Call out for a deputy? It would invite open season on me.

"Front section...comin' open!" yelled the jailer. "Watch the gates!"

The gates of all the other cells began to vibrate; then they came open.

"Come on," D'Arcy said.

I followed him and Cicerone onto the runway where about a score of men were lining up at the front while khaki trusties scooped spaghetti with a red sauce into a combination plate and bowl.

After dinner, the jail was quieter, though never silent.

"Want some tea?" D'Arcy said.

"Yeah. But I'd rather have a cigarette."

"You don't have any cigarettes? Here." He dumped several from a pack of Camels and handed them to me. I hesitated, as I wanted no obligations. It was one of the primary unwritten rules of jail and prison: Don't get obligated. "Go ahead," he insisted; so I kept the cigarettes.

He took a roll of toilet paper, unrolled and loosely rerolled a bunch of it, then tucked the bottom up through the hole in the middle, put it on the rim of the toilet bowl and set it afire. It burned in a cone, like a burner, and lasted long enough to make a metal cup of hot tea. He poured half into another cup and handed it to me. It was good, especially with a cigarette.

From elsewhere in the jail, through the walls came the vibration of the gates as they slammed shut. A minute later, our deputy yelled, "Grab a hole, A-One!"

The men on the runway headed for their cells. One of them stopped at our gate. "Here," he said, handing me a folded note. "Cook sent it."

I opened the note, reading only a few words before I threw it in the toilet. He would see me when the tank went to showers. D'Arcy and Cicerone were looking at me with sympathy. "He's a sicko," D'Arcy said. "Yeah." I half hoped that my cell partners would help me, even though I knew it unlikely. They had just met me and had their own very serious troubles. Their sympathy ended with sympathy, not intervention. Besides, in the cage he who cannot stand alone must certainly fall.

"Fuck him," I said.

"What're you gonna do?"

"I'm not gonna let him fuck me...and I'm not gonna run to the Man. When do we shower?"

"Tomorrow."

"He wants to see me in the shower."

"Jesus."

"Got any old blades and a toothbrush?"

"In the milk carton." Cicerone glanced over at a milk carton on the shelf at the rear. It had one side cut away, so it served as a box for odds and ends as well: old rusted razor blades, pencil stubs, a toothbrush whose bristles had been used to clean something besides teeth. Using the flame from half a book of matches, I set the toothbrush on fire. When it was soft, I twisted off the bristles and lit more matches, and when it was burning and soft, I blew out the matches and pushed half a razor blade into the plastic, squeezing the plastic around it. I'd seen a Chicano in juvenile hall open a guy's back from shoulder to hip with one slice. As deadly weapons go, it wasn't much, but it was the best I could devise under the circumstances. My cell partners watched me with impassive faces. Only when Cicerone patted me on the back and said, "You've got guts, youngster," did I know positively that they were on my side.

Despite total exhaustion, I found it hard to sleep that first night in the county jail. In the morning, I planned to attack a maniac who had killed at least seven times. What else could I do? Call out for a deputy? Yes, they would protect me this time, but the stigma of cowardice and being a stool pigeon, which is how my peers would see it, would haunt me forever. It would invite open season on me.

I did have one advantage. He would never expect me to attack without warning, not the skinny little kid he saw. He would assume his string of bodies would paralyze me. Despite the storms in my mind, my exhaustion was so complete that I fell fast asleep.

* * *

In the morning, before going to the showers, we had to strip our mattresses, fold up the covers and blankets, and line up all our personal property on the floor against the cell wall. We were only allowed to wear underwear and shoes and carry a towel. While we were showering, a dozen deputies would search the tank for contraband. I folded my towel around the toothbrush handle, confident it would pass unnoticed as I went through the gate in the crowd.

Several deputies passed our cell. The gates of the rear section popped open. The men already sentenced to die went first. Billy Cook looked at me and winked as he passed. I was expressionless, although my stomach felt hollow. Seconds later, a jailer called, "Bunker, property slip and jumper!" In those days, before riveted wristbands, we carried property slips for identification and, because jail prisoners kept their civilian shirts, a denim jumper stamped L.A. COUNTY JAIL was required when out of the tank. I pulled on my pants and the

Pledging to the Pink

Sinking back against a washing machine, Finnish exchange student Silja coos softly as her soon-to-be sorority sister hungrily tastes her pink treat. "Holly, it is so late, and we still have so many loads to do," whispers the Nordic beauty.

"Never question your pledge mistress!" scolds all-American Holly, pushing Silja into a half-empty laundry cart and tightening a pair of blue silk stockings around her subordinate's wrists. The foreign beauty writhes on a pile of soiled lingerie as Holly's tongue tickles her throbbing love nub.

"I am not worthy to lick your honeyed slit, pledge mistress!" Silja cries.

"I'm glad you remember something from initiation, pledge," huffs Holly. "Now show an upperclassman the proper respect," she adds, producing a chrome vibrator. Silja guides the buzzing stick of joy into Holly's velvet sleeve. Contented, the mentor sighs, "I have trained you well, pledge."

Education of a Felon

(continued from page 90)

I jumped on his back, grabbed his hair and slammed my fist against the side of his head. Pain shot up my arm, but his cry made it worthwhile.

denim jumper. I couldn't take the toothbrush with me.

"Give it here," D'Arcy said. I handed it to him.

"Cell 6! Coming open! Watch the gate!" yelled the jailer.

The gate vibrated and popped open. I walked down the tier, past the faces behind the bars. Where was I going? Had somebody snitched that there was going to be trouble? An escort waited. "Where'm I going?" I asked.

"Bertillion Room."

Bertillion Room? That was where mug photos and fingerprints were taken. What did they want me for?

It was for a thumbprint for a youth authority detainer. That took but a minute; then the deputy escorted me back through the jail. Billy Cook was on my mind. If showers were over, it would be another week until we confronted each other. Anything could happen in a week. He might be moved to death row at San Quentin. He had already been sentenced. We came to a corner. Straight ahead was the route to the tank. The deputy turned; we were heading for the shower room. Showers were still in progress. The dice had thrown me snake eyes. My stomach sank. For a moment I wanted to blurt out: "I've got trouble with Billy Cook." I couldn't do it. Whatever happened...let it happen.

We turned another corner. A score of deputies filled the corridor outside an open grille gate, beyond which were a short hall and a room full of benches and steam. The showers were beyond that.

"Here's Bunker," the escort said to the tank jailer. "Back from Bertillion."

"Go on; get wet," the jailer said, gesturing to me for emphasis.

The shower room beyond was almost empty. There were a few vague figures in the steam, men who had already finished and were drying themselves. The benches were full of underwear and shoes. Everyone was in the showers—where it was really steamy. D'Arcy appeared. "Here." He handed me a towel. I could feel the toothbrush inside the folds. "He's in the back of the first row."

I clenched the meager weapon through the towel. Fear tried to sap my strength. Shutting it off, I set my mind on frenzy. Without undressing, I headed for the archway with the steam pouring forth. Inside were several waist-high partitions. Down each were half a dozen showerheads. Two or more naked men shared each shower, some soaping while others rinsed. As I squeezed along the wall, avoiding naked bodies, I stared into the thick steam, holding the toothbrush tight and ignoring the water wetting my pant legs.

Alone in the last shower, Billy Cook had shampoo in his hair and his face was turned up into the stream of water. His skinny little white body was pitted with acne, his arms covered with blue jailhouse tattoos. He was two steps away, and I hesitated for one moment. When he turned his head, the white shampoo foam rolling down, his eyes were open and he saw me. His eyes widened, and he started to smile; then he saw the weapon, or something in my face. He turned to reach for a towel that had been thrown across the half-wall separating the rows of showers. I was sure it held a weapon. He would have gotten it if he hadn't slipped on the wet floor. One foot shot out, and he went down on one knee.

Before he could recover, I pounced, swinging the toothbrush handle with the protruding razor blade. It got him high on the back, near where the neck begins, and sliced down about six inches before his movement carried him out of the blade's arc. I chopped again, this time so hard that the razor blade snapped and flew away. His ducking plus the force of the blow threw him on his knees with his back to me. He was naked. I was fully clothed. Killer or not, at the moment Billy Cook was at my mercy and he was yelling for help. Naked prisoners were rushing to get out. I jumped on his back, grabbed his hair from the rear and slammed my fist against the side of his head. Pain shot up my arm, but his cry made it worthwhile. I was soaked with water and blood.

Someone came up behind me. Fingers dug into both cheeks and my eyes and tore me loose, gouging out flesh as I was hauled back. I saw the olive green of uniform legs. The deputies dragged me out of the shower room and moved me through the maze of the jail, passing all the curious eyes behind bars. They opened a steel door and pushed me into a room with three smaller doors of solid green steel.

"Strip 'em off," was the order. Half a dozen deputies stood around me, young, strong ex-Marines. They vibrated with the desire to dance on me. I followed the order.

When I was naked, someone threw me a pair of cotton long johns and I put them on. Another deputy handed me a round cardboard container, a quart of water. The windowless room was eight foot square and had solid steel walls and concrete floor. In a corner was a hole for body waste. The room had no furnishings. Someone said, "Five days," and I under-

Pubic Access

(continued from page 72)

gonna turn into perverts. They'll tell me they don't like my show, but they also will call the mayor and the governor and the police and the D.A."

Even discounting community-standards debates, the future of public access is uncertain—now that cable TV is a fixture in the majority of American homes, public access does not serve the bottom-line interests of cable companies.

"They would be just thrilled if we fell off the planet tomorrow," says Bunnie Riedel. "The cable companies don't want to have to pay for this."

"Our preference would be not to have it," MediaOne's Gisselle Acevedo-Franco admits of public-access TV. "It's very costly; it's thousands and thousands [of dollars]."

Laura Linder, an assistant professor at the University of North Carolina and the author of *Public Access Television: America's Electronic Soapbox*, thinks it crucial that the channels of free speech remain open to the public.

"Public access is a public forum, and once you've created a public forum, you can't close it down because you don't like what they're doing," Linder says. "Public access came about because people thought it would be a good vehicle for social change, giving people a voice who didn't have a voice, because it's very hard to get on regular television."

* * *

Because there are more than 2,000 cable access centers that, together, produce over a million hours of programming each year (more than all of the broadcast networks combined), it is impossible to quantify all of the sexually explicit shows that air around the country. Some programs no longer exist on cable but are available from video collectors on the Internet, at sites such as www.splattermountain.com and www.blackestheart.com.

Some cable stations do not offer permanent time slots and some producers schedule shows sporadically; consequently, a program's Web site is often the best source for show times:

"Why is it that you only seem to get horny at game time?"

Felon

(continued from page 107)

stood that was how long I was to be here. Five days.

I stepped inside, and the door slammed shut, steel crashing on steel. I was in the blackness of the grave. From outside a key banged on the steel. "When you hear that, you answer up. If you don't answer and we have to open the door, you'd better be dead, because if you're not dead, or damn near it, you'll wish you were. Got it?"

I heard muffled laughter, then an outer door closed and I was alone.

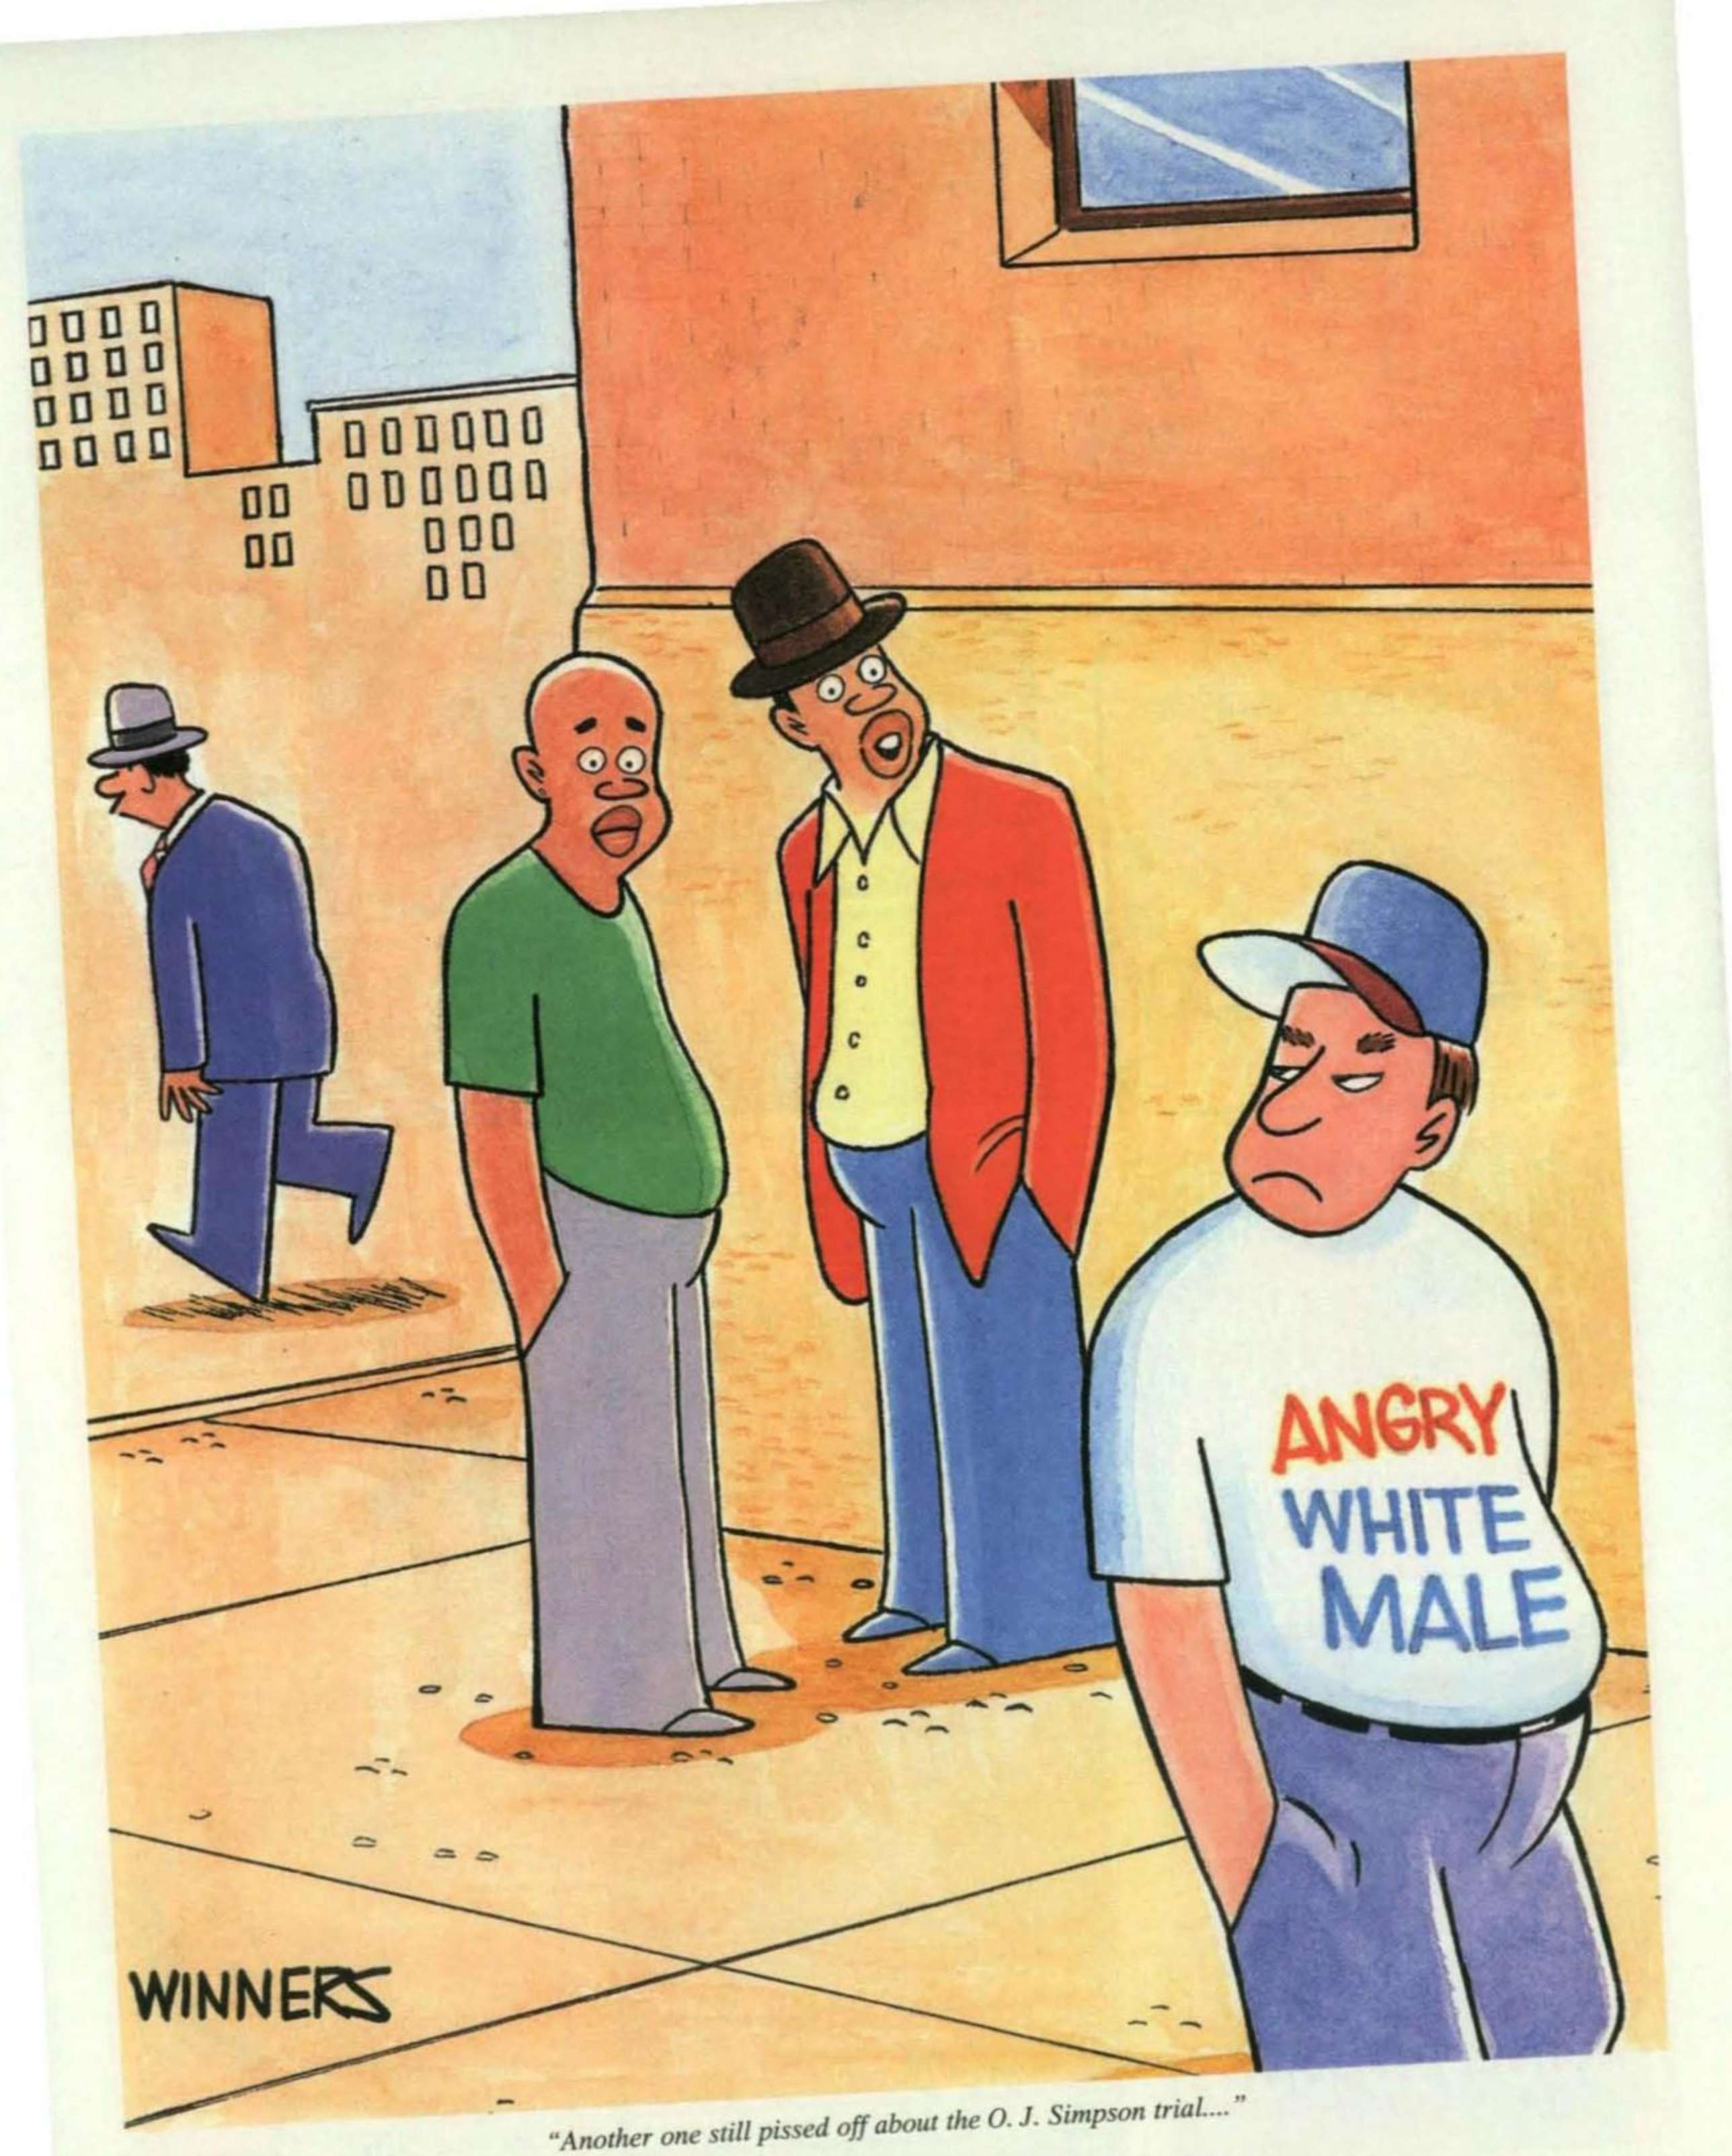
Would I go crazy? What difference would it make? I'd simply be crazy by myself in the blackness. Nobody would care. Imagine the darkness of the blind in an eight-by-eight, steel-walled cage. What would you do? You meditate on everything you know. You sing all the songs you might recall in whole or in part. You jack off—rough sex on the concrete floor. You think about god—is there one or many—and why does he allow so much pain and injustice if he is the Joe Goss? My mother said god was real; everyone accepted him without question. Maybe there was something spiritual in the universe, but god seemed to have stopped paying attention a few centuries ago. I heard noises through the walls and floors, many gates crashing shut.

Once a day they unlocked the door, exchanging the cardboard container of water and leaving six slices of white bread. Bread and water. On the third day, they inserted a paper plate piled high with macaroni. It was a huge ration; so I ate about a third and put the rest inside the six slices of bread. I made big fat sandwiches. I wrapped them in toilet paper. One for tonight, two for tomorrow. Then I figured I would have one day left.

A little later, I heard a scratching sound. When I reached out for the sandwiches, my hand touched the greasy body of a rat. *Yoooo!* I leaped up and almost fainted from the sudden rush of blood.

Goddamned rats had come up through the shithole. I found the sandwiches. The rat had torn through the toilet paper and gnawed a good hunk out of one of them. I tore off the part he'd bitten and threw it down the hole. Then I ate all the rest. Fuck a rat. He had his chance. He got no second shot.

The gouges on my face from the deputy's fingernails scabbed over. So did my busted scalp. One thing I had to say: I could take a beating with the best of them. I thought of Billy Cook crying like a bitch as I kicked his ass. "He won't fuck with me no more, what you bet?" I said, then brayed laughter like a jackass into the blackness.



"Another one still pissed off about the O. J. Simpson trial...."

The world's largest selling Penis Enlargement System used successfully for over 30 years with over 20 million satisfied customers.

Easy To Use! Fast Results!

CERTIFIED AND APPROVED FOR PENIS ENLARGEMENT BY DR. BROSS

HERE IS WHAT THE DR. BROSS PROFESSIONAL PENIS PUMPS CAN DO FOR YOU.

Increase penis thickness and length ■ Stimulate a harder and more powerful erection ■ Exclusive design maintains your erection (use my exclusive Comfort Fit Erection Prolong Ring for extended sex) ■ Increase confidence, sex drive and sexual performance ■ Intensify your orgasm.

Our 20 million customers tell us the Dr. Bross pumps are #1

We receive thousands of letters and photos from satisfied customers – too many to print here. This is what some of our satisfied customers say about the Dr. Bross Pumps...

I thought you might want to see some before and after pictures. That's a picture of me when I just got your pump. I was about 4 inches. After using your pump you can see the other picture I am now 9 inches. Of course the women I go out with love my new cock.I am very happy but I am going to try for 11 or 12 inches! **C. P., California**

I tried bulb pumps & centric pumps...nothing happened. Then I tried Dr. Bross' Easy-Touch Pump & it was fantastic. I went from 7¼ inches to 11 inches. It was real easy to use. This pump is a miracle. I recommend it to anyone who wants a bigger cock. The pump did what you said it would do, enlarge my penis. I'm very happy with the results and so is my wife. Thank you. **A. R., Texas**

Adult video actor Jon West tells us the Dr. Bross Pumps are #1...

"The Dr. Bross Pump is fantastic. I use it and so do many adult video actors. For total penis enlargement, to make you thicker, longer and harder."

DR. BROSS PENIS PUMP EXCLUSIVE FEATURES NOT FOUND ON OTHER PUMPS

The Penis Pump adjusts to the size of the penis inserted in the cylinder. Our Power Vacuum Controller then adjusts the correct amount of vacuum you personally need for your penis enlargement.As you grow in size the Power Vacuum Controller continues to adjust to your penis size to give you Maximum Penis Enlargement up to 12 inches!

Exclusive injection molded totally enclosed Vacuum Seal clear cylinder Guarantees 100% Vacuum and no air loss.

The Dr.Bross Penis Pumps are designed specifically for Penis Enlargement. For Maximum Penis Enlargement you need the best Penis Pump and the best Penis Cylinder.Many of our customers also tell us that the Dr.Bross Pumps gives them incredible sensations for masturbation.

HOW IMPORTANT IS THE PENIS PUMP CYLINDER?

Other cylinders are made from raw plastic hollow tubing flat at the top, cloudy and color tinted which makes it difficult to see your penis inside the tube. This hollow tube is glued to a pump and you don't have a closed connection.You have air loss and so you do not have the correct vacuum needed for penis enlargement.. The flat top of the tube prevents air from flowing to all surfaces of the penis and so there is no "surface vacuum" A hard rubber ring is used at the end of the cylinder.

Now look at the Dr. Bross Penis Cylinder. The Dr. Bross Penis Enlargement Cylinders are made of the highest quality injection molded crystal clear K-Resin for strength and totally enclosed to prevent vacuum loss. Notice the shape of the Dr.Bross Penis Cylinders. The Cylinder is curved and conforms to the shape of the penis.This means the air flow travels continuously around the penis which creates a "surface vacuum" on the penis shaft which causes the penis to grow beyond your wildest imagination. Now you have a longer, thicker and harder penis up to 12 inches! Added feature is the insertion ring at the end of the clear cylinder that can be adjusted to fit any size penis comfortably.All of the Penis Cylinders shown here can easily be cleaned.

INDEPENDENT TESTING COMPANY SAYS DR. BROSS PENIS PUMPS ARE #1

Tests determined the effectiveness and reliability for each pump. Squeeze bulb pumps did not create the correct vacuum needed for penis enlargement. The one piece battery pump wiring and motor rusted after cleaning and the electric pumps use a small fish aquarium motor converted from blowing bubbles in water to suck air. Both pumps did not create the correct vacuum needed for penis enlargement.

The Dr. Bross exclusive power vacuum controller creates and sustains the correct vacuum needed for penis enlargement. This feature is not found on the other pumps. The Dr. Bross cylinders are made of the highest quality injection molded clear Resin-K for strength and to easily view the penis enlargement. The cylinder is totally enclosed to prevent vacuum loss. The other manufacturers cylinders were cloudy and had a color tint and the plastic was cut from straight raw tubing and glued to the pumps.

After all of our tests we have determined that the Dr. Bross Penis Pumps are far superior to any other vacuum pumps for Penis Enlargement. For the most features the Dr. Bross Easy-Touch Penis Pump has the highest rating of all penis pumps.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both women and men. He is responsible for the production of numerous educational sex videos.

All of Our Pumps Are Made in the U.S.A. www.enlarge-penis.com

The Pump is directly connected to the side of the clear Penis Cylinder. The air flows evenly and smoothly from the Pump to the clear Cylinder for faster vacuum response. Only a couple of strokes from the extra long 10 inch piston assembly is all you need for Penis Enlargement. The low cost makes it possible for anyone interested in Penis Enlargement to have a Dr. Bross Pump. **Reg. $65.00 now only $19.95**

Exclusive design with Direct Sealed Penis Pump connection to the clear Cylinder. Instead of a one piece centric pump, with the Dr. Bross Power-Flow Pump you can remove the Pump for easy cleaning of the Cylinder. The Power-Flow requires a minimum of pumping to achieve Penis Enlargement, For men who want immediate results in the shortest possible time. **Reg. $90.00 now only $29.95**

Features the only enclosed self-contained motorized housing battery pump. One hand operation. Press the switch to start and release your finger to stop the motor. You have complete control for continuous vacuum for Penis Enlargement. Important Exclusive Features: The self-contained motorized electronic unit can be removed to clean the clear cylinder tube. Other battery pumps with parts imported from the Orient have the motor, wires and batteries attached to the tube and with use and cleaning will rust and damage the motor and batteries. Includes the exclusive Dr. Bross clear injection molded cylinder for easy cleaning. **Reg. $260.00 now only $79.95**

kim
shag fanatic

PHOTOGRAPHY BY J. B. DeROCA

"I love the feel of fur!" crows Kim, rubbing her muff against the fluffy surface of her favorite chair. "Of course, this is fake. I revere all animal life, and everything in my house is derived from man-made fibers."

As her fingers probe her warm flesh folds, Kim continues her PETA rap. "Fake fur is also easier to clean," laughs Kim as a drop of pussy juice drips into the peltlike upholstery.

Guiding a buzzing pleasure tool into her liquid hot spot, the brunet vixen gasps. The metallic rod nuzzles Kim's clit tirelessly. The rhythmic motion of her hips rocks the cushy chair. Her body bucks; a gushing orgasm makes her cry out.

"Fake fur and vibrators," Kim chuckles, clicking off the trusty sex toy, "are two modern miracles I couldn't live without."

PETER NORTH, AKA MATT RAMSEY

"MY PRIVATE FORMULA PILLS INJECT INCREDIBLE SEX PERFORMANCE RIGHT INTO YOUR PENIS!"

THE BEST KEPT SECRET OF THE PORNO STARS!

"POWER PILLS increase the volume and intensity of my orgasm and help me shoot those 6 foot pop shots! I bet my reputation on them... because I developed the formula!" – Peter North

My name is Peter North. In the world of adult videos I'm known for my ability to produce a full erection: jutting upward, veins throbbing, as hard as mahogany – virtually upon demand! And I can sustain that erection through take after take – retake after retake – long into the night, if necessary. I personally perfected **POWER PILLS** to make sure I have this highly charged sex performance day after day, night after night! Take my **POWER PILLS** – highly concentrated doses of ingredients I've proven to really work – and you can be a star in any bedroom. ***You can have a POWER PILLS erection like mine. You can develop incredible erection sustaining and climax control just like mine!***

ENJOY INCREDIBLY FORCEFUL, LONG LASTING CLIMAXES!

Cameramen tell me that when I finally cum, it's like a fire hose let loose! I shoot jism four... six... eight feet in the air. And it just keeps cumming, – huge, gooey, white streams firing volley after volley. ***Just keep using my POWER PILLS and you'll have gigantic geysers of climaxes! Climaxes that just keep blasting in wave after wave of sheer ecstasy!***

GET IT HARD! KEEP IT HARD! SHOOT IT HARD!

I know there are other preparations out there – I've tried most of them. But I can prove – as nobody else possibly can – that mine really works. They are produced under rigid controls to ensure maximum potency (if my name is on it, it has to be perfect). After all, on tape after tape, my proof is right there for the world to see!

4 HOUR HARDCORE VIDEOS *as low as* $1.81 PER VIDEO

LIMITED AVAILABILITY!

1. ALL 4 HOUR VIDEOS ARE SPECIAL PRODUCTIONS
2. CONTAINS VERY STRANGE AND UNUSUAL SEX
3. THESE VIDEOS NOT AVAILABLE IN STORES

the FREAK SHOW

banned video collection

This is not the slick, predictable porn product churned out by the big video companies. All of these tapes were created by independent filmmakers whose productions were banned by the censors for being too strange, too disturbing, too nasty, and too hot. Don't let the plain white box covers fool you. Inside is the wildest stuff you've ever laid eyes on!

1. HIDDEN TOILET CAMERAS Real women caught in their most intimate acts, and they're completely without a clue that anyone is spying on them. All the thrills of peeping and none of the risks. Private pussies dripping with pee are only some of the treasures you'll find here.

2. GAPING GRANDMAS These mature, experienced vixens have an insatiable hunger for the hard throbbing meat of horny young studs. Taking inches and inches of lust inside every one of their horny holes, these old ladies don't stop fucking and sucking 'til every dick is dry.

3. AMATEUR ANAL GAPERS They ain't in it for the money, but these butt-sex babes can open up the brown eye and say "Ah," with the best of the jizz biz's ass fuckers. The difference is these girls are doing the dirty deed for the sheer love of it, not for fame.

4. ANIMAL INSTINCTS Nothing and no one is safe when these farmgirls come into heat. They suck and fuck everything in sight, then they come back and do it all over again. Their lust has no bounds, and their natural beauty will bone you up!

5. BEAUTIFUL WOMEN WITH DICKS Banned in 11 states, this video is finally available for those special collector's who crave something beyond the norm. They have fashion model faces, centerfold tits, and legs like strippers – plus six inches of pulsing male desire!

6. UNUSUAL SEX PARTNERS The pinnacle of the perverse in this twisted flick is the siamese twins getting it on. Two sisters who look exactly alike and are connected at the hip perform the prurient acts hard dicks crave. You've never seen anything quite like it!

7. OBESE BEAUTIES Fat girl lovers will dig the action in this all-girl, orgy-action delight that features huge honeys with even bigger libidos. Sagging flesh rolls of fat, enormous hanging jugs, and incredibly big asses make this a fatty wet dream come true.

8. BEARDED BUSHES Tired of that late '90s porn star shaved puss look? Do you yearn to run your fingers and tongue through a luxurious thatch of snatch carpet? Aching for the feel of her short hairs tickling your shaft? Congratulations, you've just found what you needed!

9. HERMAPHRODITES Does the thought of watching someone suck cock and eat pussy on the same person sound appealing? Worshiped in ancient times as totally complete beings, these freaks of nature turn on men and women alike, straight or gay.

10. WORLD'S BIGGEST DICKS Check out 15-1/2" of stiff meat probing the tiny mouths and petite pussies of tender young things. Starring John Holmes, Hay Victory, Sean Michaels, Peter North, and a boatload of big-bone boffers. More than 45 cock inches in all!

11. BREAST ABNORMALITIES A cute, young blond coed who gets fucked while eating pussy is a wonderful thing to see, but when that teenage beauty also has six tits, it becomes a marvel one must witness over and over again. See it to believe it.

KINK'S ULTIMATE COLLECTION

Don't bother combing the video stores, looking for these titles. These tapes are not available in retail outlets. You can only get them here. The plain white box covers are testimony to the extreme nature of these banned movies. The images they contain are too nasty to print.

12. UNDERGROUND SEX RAVES The booze and the love drugs are flowing. The music hypnotizes the crowd and soon clothes and inhibitions are shed. Wild orgies of ecstatic sensations ensue and you are there, thanks to the filmmaker's hidden camera!

13. IMPORTED UNDERGROUND SEX SCENES Check out Europe's nastiest, foxiest amateur babes fucking and sucking for the total sexy thrill of it. Sex amateur style is great. European sex is hot. Combine the two and you'll soon explode with creamy, cascading lust!

14. XXX HIDDEN CAMERA VIDEOS If snooping on luscious single girls as they bathe, pee, change clothes, and perform all those intimate feminine rituals excites you, your cock may not go down for a week after you've seen this little gem.

15. RECORD BREAKING PENETRATIONS Toes, feet, elbows, the kitchen sink, you name it and these horny ladies will stick it deep inside their lusty cunts. How they can fit so much so far in will boggle your brain and your dick. Check this out!

16. ANIMAL INSTINCTS It must be all that fresh air and wholesome food out there in the country. This tape sports a flock of farmer's daughters who act like they've never had a chance to get off before. They don't let any erotic experience escape them. Neither should you.

17. FREAKY FETISHES Regulation fucking and sucking ain't on the menu here. If it's strange, unusual, kinky, bizarre, perverted, and disgusting: chances are you can catch it here. This has all those things you love but won't dare admit to.

18. TOILET TRICKS Previously banned in 33 states, check out the all-wet action that happens behind the stall door. Couples, singles, fucking, peeing, masturbation, and more can be found on this one incredible video.

19. PRIVATE PERVERSIONS Straight dudes explore exotic and erotic techniques to make their cocks harder and their orgasms more powerful. Learn all that these studs have learned and have sex that's just as pleasurable and erotically powerful as the pros.

20. MIDGET MADNESS Score one for the little guy. Small men with big cocks delight, arouse and satisfy normal sized women in this mismatched love contest that shows what these mighty midgets are made of! An incredible display of testosterone power!

21. BAD LITTLE GIRLS They've wanted it for so long and now that they've finally turned 18, watch them get the fucking they've been hungering for. Cute, young and eager to learn, these beavers will do anything to have a chance to cum.

22. NAUGHTY NINETEEN YEAR OLDS One cock just ain't enough for these nymphos. Scene after scorching scene of teenage harlots taking on two stiff studs. Simultaneous mouth-fucking and pussy-pounding action await the savvy consumer who buys this one.

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis **increases in diameter and thickness.** By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in **A DRAMATICALLY LONGER, THICKER ERECTION.** Users of SUPRA-12 say they're **"truly astounded"** when they see their penises reach **startling new proportions** inside the chamber of the SUPRA-12. **And you will be, too!**

THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... *keeping it* is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the **biggest size possible in the shortest amount of time.** Don't be fooled by claims of "more vacuum." Too much can cause medical problems. Every SUPRA-12 pump passes stringent quality control and is tested according to medical standards – no more – no less. And with the SENTRY Prolong Ring, you **can stay as hard as you want, for as long as you want. IMPORTANT! All professional medical vacuum pumps (including $500 models) include prolong or tension rings. Our Sentry fits any size penis, and there is no hassle in removal or pulling of the pubic hair as in others.** The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining **your dynamic "super erection"** indefinitely, but never interfering with your pleasure - EVER! *You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the Sentry* ***GIVES YOU COMPLETE CONTROL!***

SAFE & EFFECTIVE... AN INCREDIBLE VALUE... 5 MODELS TO CHOOSE FROM!

Perverted Pilgrims will feast on the fleshy folds of Thanksgiving quim in this November's HUSTLER. Gorge on extra helpings of sapphic slit when Alexa and Isabella give in to crotch-soaking temptation. Taste the forbidden pleasures of a bordello as corseted cooze Naughtia enjoys a banquet of man meat and freshly churned nut butter. Real-life Washington intern Tracy opens up about the politics of pink, dishing dirt on government affairs in a pictorial the good ol' boys on Capitol Hill would veto if they could. Hard-line strokers of every political stripe will cast their seed for pussy with November's HUSTLER.

SCHTUP 'N' FETCHIT: PORN'S DOUBLE STANDARD

Black performers such as Lexington Steele and Sean Michaels are among the hardest-working people in the adult-movie industry. Despite their dedication and gargantuan prongs, they and countless other African American wood slingers get the short end of the stick when it comes to recognition for their work. Nubian women are similarly marginalized, as the smaller budgets of black-oriented flicks keep performer salaries lower than those of their white counterparts. Ironically, white producers back most black-themed releases and pocket the profits. In November, HUSTLER does the right thing and talks openly with the disgruntled stars themselves about the jizz biz's record on race.

CUNTS AND CRAFTS

November's *Sex Play* reveals astounding feats of the world's most skilled snatches. Emerging during the Vietnam War era, Thai red-light culture produced cunt stuntwomen who performed eye-popping tricks using everything from airborne eggs to gleaming razor blades. Now, from the bars of Bangkok to the mean streets of New York City, fish fly and flames dance from virtuosic slits as "cunt artists" dazzle onlookers. Feel free to gawk in wonder as HUSTLER provides an all-access pass to the greatest shows on earth.

HORNS OF PLENTY

Enjoy a bountiful harvest of *Erotic Entertainment* this autumn, thanks to a dozen honest-Injun reviews. *Bits & Pieces* knocks the stuffing out of Washington with the $10,000,000 Beaver Ballot, offering candidates' daughters a chance to sway the electorate with squack. As always, *Beaver Hunt* gathers together the blessings of neighborhood snatch. Readers of the November 2000 HUSTLER will be truly grateful for what they receive.
